HAWKEN SCHOOL
GATES MILLS, OHIO
VOLUME XVII

DEDICATION

The senior class of 1980 would like to dedicate this year's Onyx to two men who have devoted their time, energy, and enthusiasm to Hawken School. In an attempt to help those around them, Kenyon "Red" Cramer and Stephen Haas have enriched the lives of Hawken students, faculty, and friends. They will be greatly missed next year, but they leave behind the essence of their character to linger in the halls of Hawken.

Today is not yesterday: we ourselves
change; how can our works and Thoughts, if
they are always to be the fittest, continue
always the same? Change, indeed, is painful;
yet ever needful; and if Memory have its
force and worth, so also has hope.

Carlyle

Sure melted my
cares away.

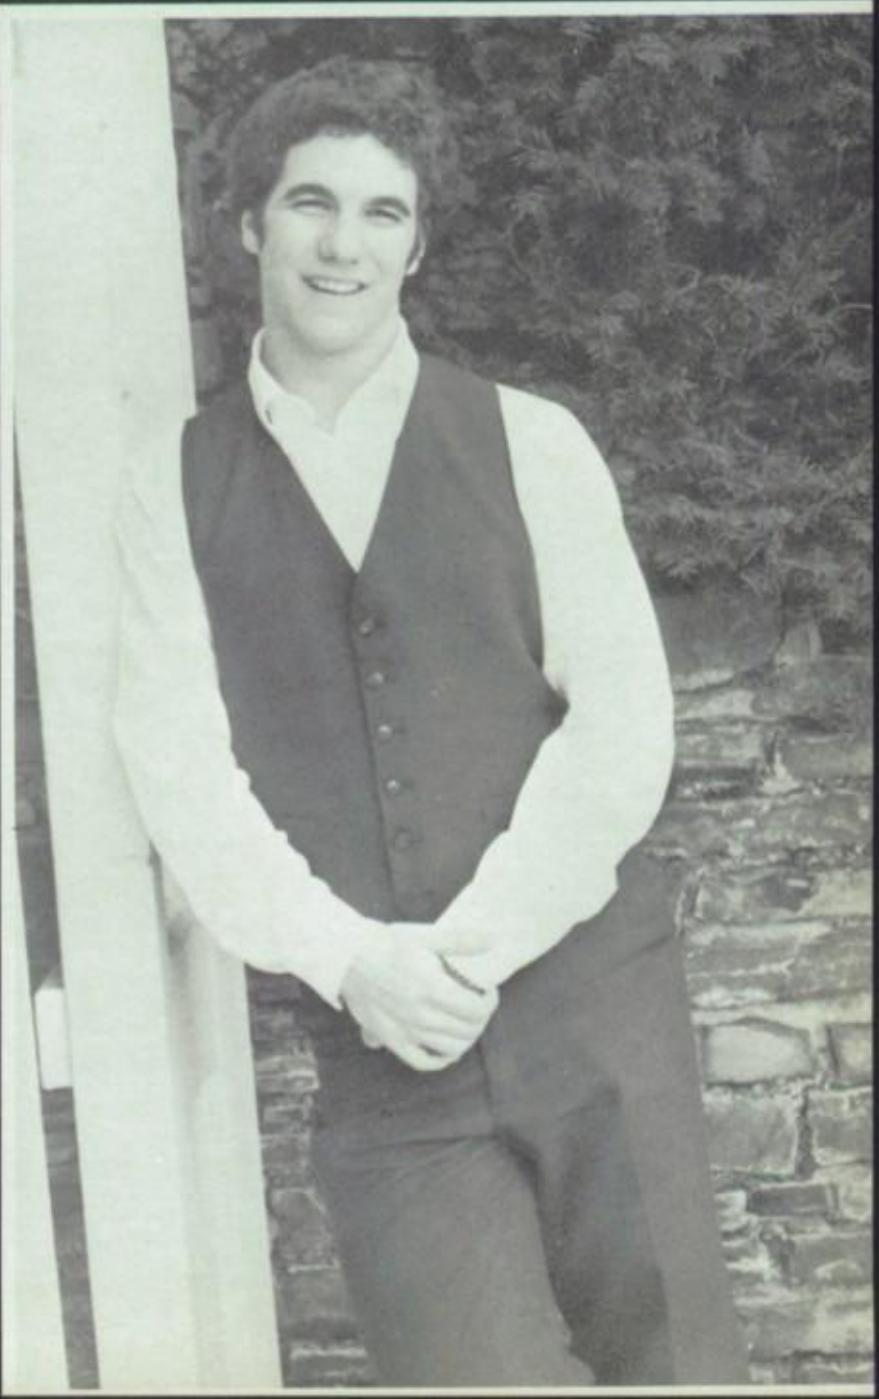

Often your task will be many, and more than you think you can do. Often the road will be rugged, the hills insurmountable too. But always remember the hills ahead are never as steep as they seem. So with faith in your heart start upward, and climb til you reach your dream. For faith is a mover of mountains, there's nothing that you cannot do. So start out your day with faith in your heart, and climb til your dreams come true.

"There is no group therapy or psychiatry or community social services for the child who must cope with the thing under the bed or in the cellar every night, the thing which leers and capers and threatens just beyond the point where vision will reach. The same lonely battle must be fought night after night and the only cure is the eventual ossification of the imaginary facilities, and this is called adulthood."

"For a real Good Time!"

IT IS AS HIGH
AS HEAVEN; WHAT
CANST THOU DO?
DEEPER THAN HELL;
WHAT CANST
THOU KNOW? (JOB 11:8)

Dyke T. E. Rutherford

Cold hearted orb that rules the night,
Removes the colours from our sight.
Red is grey and yellow white,
But we decide which is right.
And which is an illusion?
Pinprick holes in a colourless sky.
Let insipid figures of light pass by.
The mighty light of ten thousand suns,
Challenges infinity and is soon gone.
Night time, to some a brief interlude,
To others the fear of solitude.
Brave Hens wake up your steeds,
Bring the warmth the Countryside needs.

Breathe deep the gathering gloom.
Watch lights fade from every room.
Beditter people look back and lament.
Another day's useless energy spent,
Impassioned lovers wrestle as one.
Lonely man cries for love and has none.
New mother picks up and suckles her son.
Senior citizens wish they were young.
Cold hearted orb that rules the night,
Removes the colours from our sight.
Red is grey and yellow white,
But we decide which is right.
And which is an illusion???

Freedom's just another word
for nothing left to lose.
Nothing ain't worth nothing
but it's free.

Kris Kristofferson

Where an eagle glides ascending
there's an ancient river bending
through the timeless gorge of
changes, where sleeplessness awaits.

I searched out my companions
who were lost in crystal canyons
when the aimless blade of science
slashed the pearly gates.

It was then that I knew I'd had
enough, burned my credit card for fuel
headed out to where the pavement
turns to sand, with a one-way ticket
to the land of truth and my
suitcase in my hand, how I lost
my friends I still don't understand.
They had the best selection
they were poisoned with protection
there was nothing that they needed,
nothing left to find.

They were lost in rock formations
or became park bench mutations
on the sidewalks and in the
stations they were waiting, waiting.
So I got bored and left them there
they were just dead weight to me
better down the road without that
load.

Neil Young

Job 14:10-12

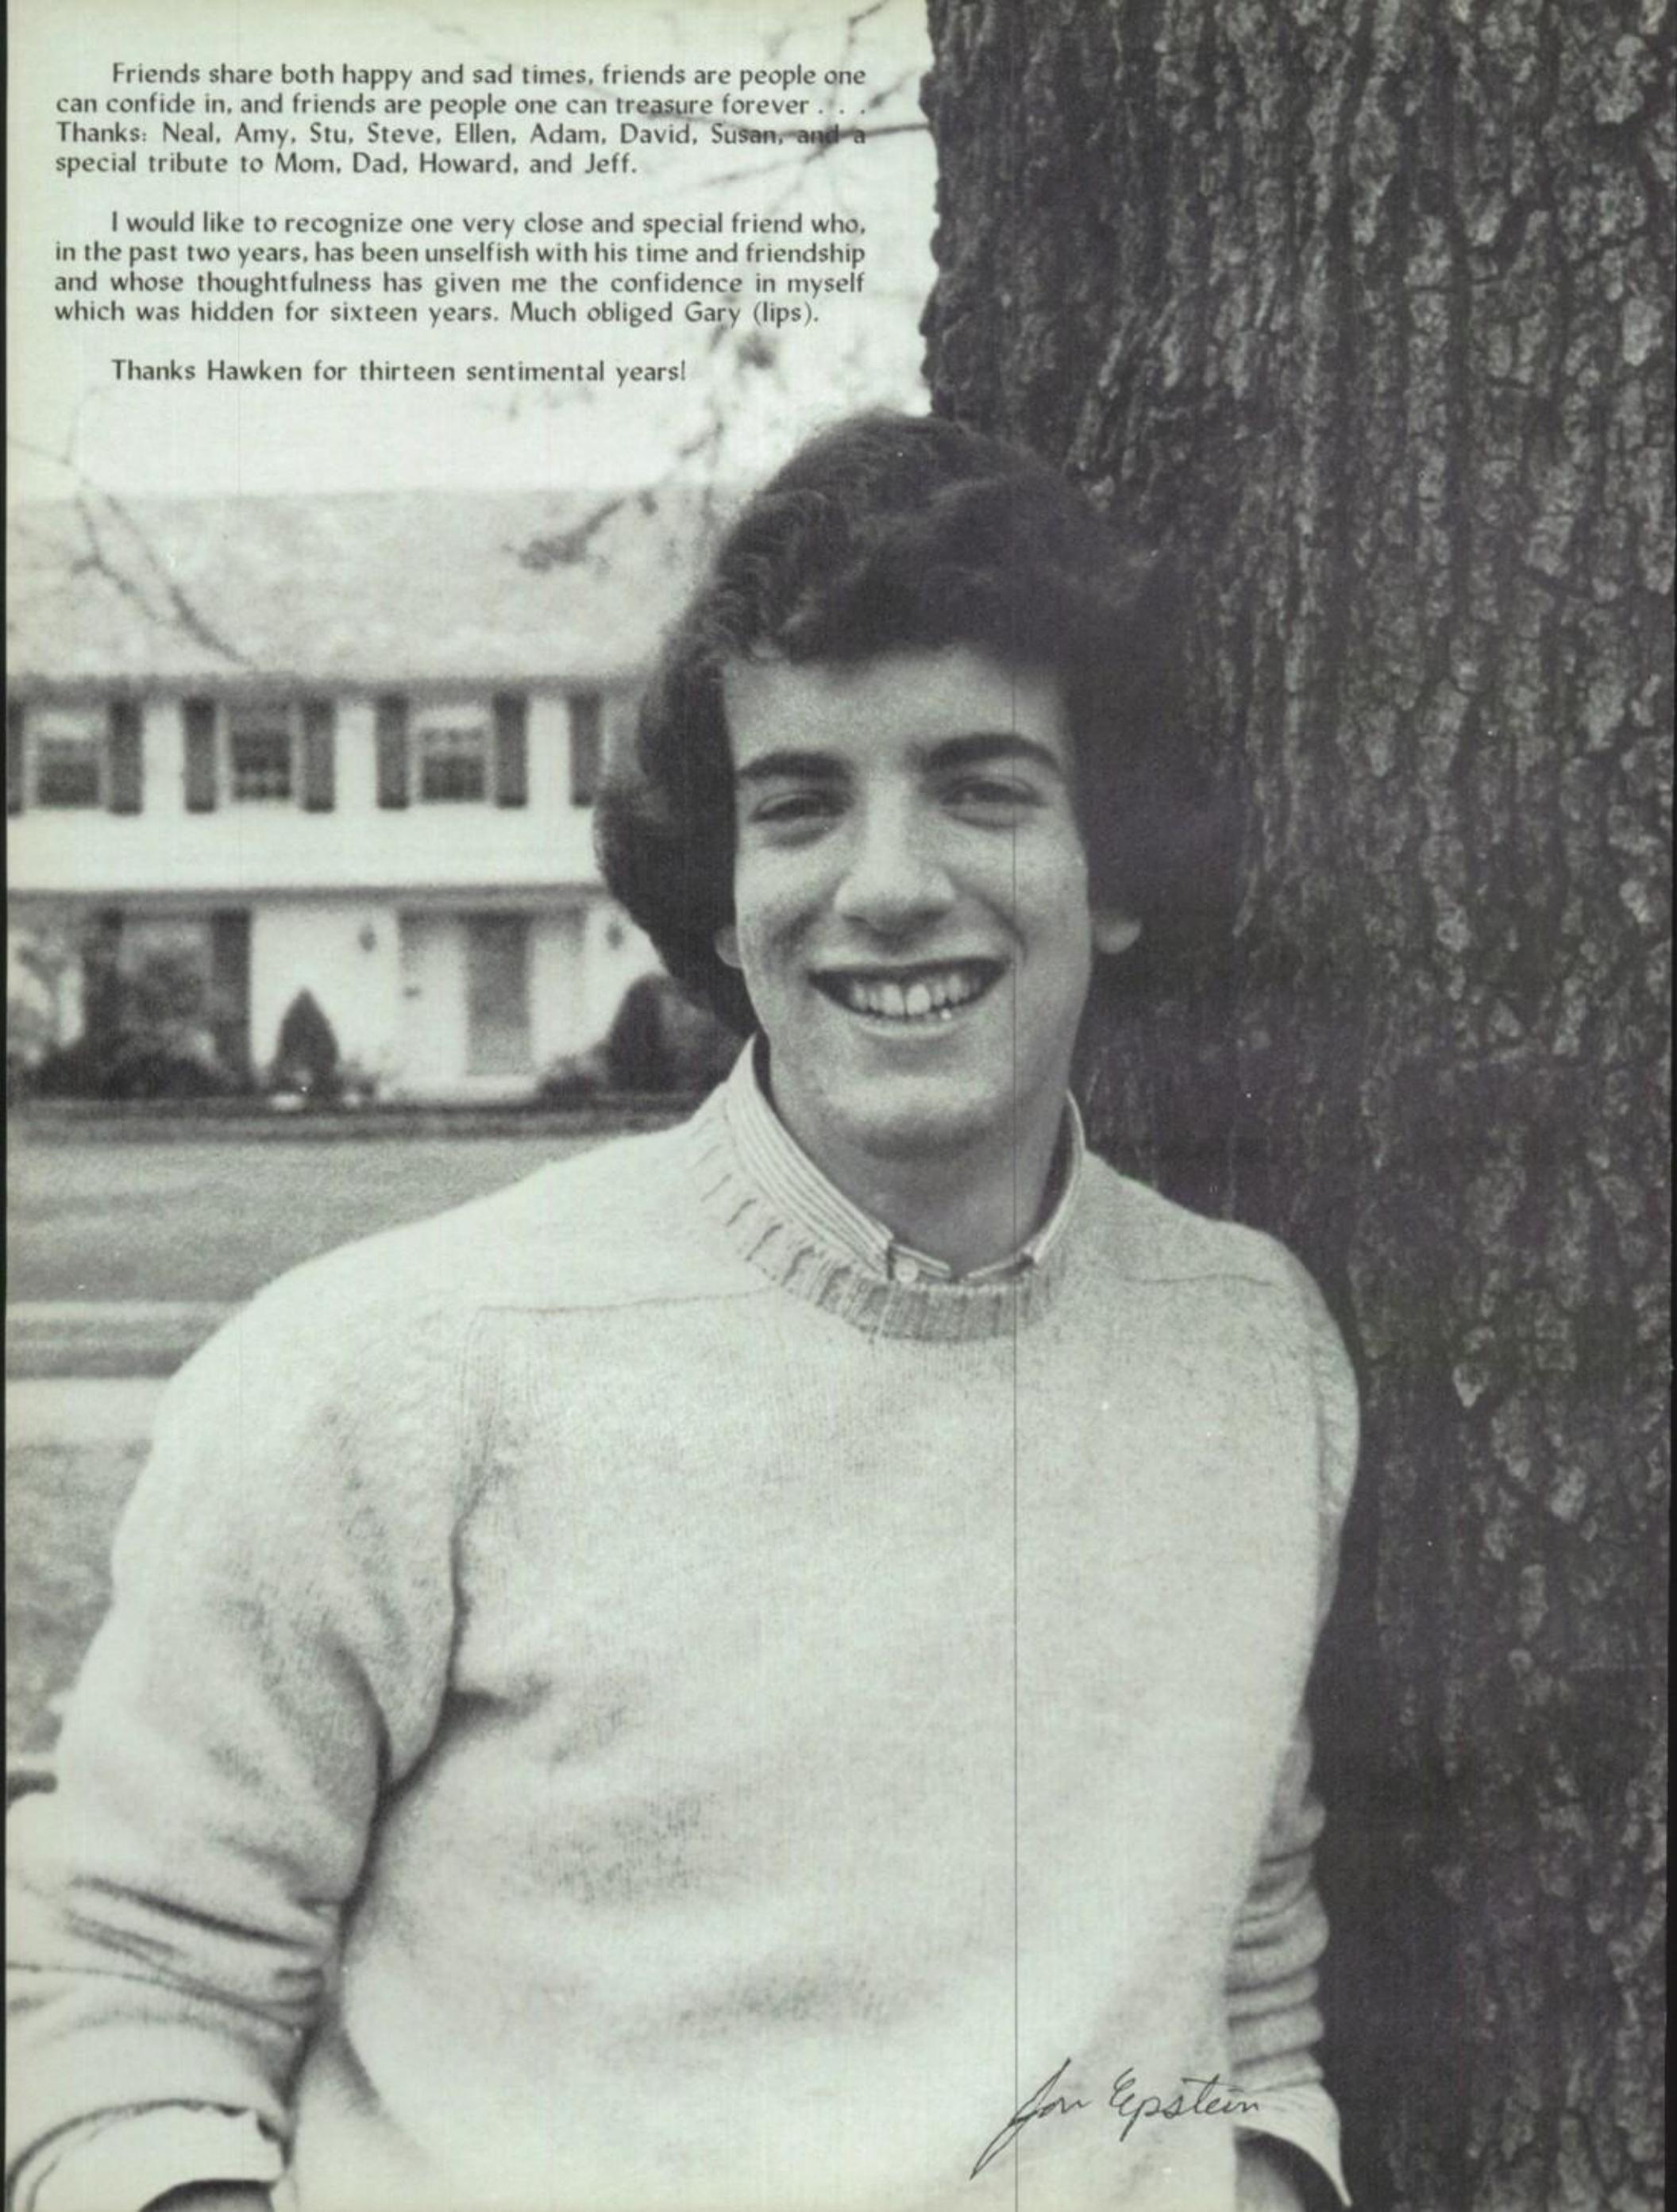

But man dieth, and
wasteth away; ye men
giveth up the ghost,
and where is he?
As the waters fail
from the sea, and the
flood decayeth and
drieth up:
so man lieth down, and
 riseth not: till the
heavens be no more, they
shall not awake, nor be
 raised out of their sleep.

Friends share both happy and sad times, friends are people one can confide in, and friends are people one can treasure forever . . .
Thanks: Neal, Amy, Stu, Steve, Ellen, Adam, David, Susan, and a special tribute to Mom, Dad, Howard, and Jeff.

I would like to recognize one very close and special friend who, in the past two years, has been unselfish with his time and friendship and whose thoughtfulness has given me the confidence in myself which was hidden for sixteen years. Much obliged Gary (lips).

Thanks Hawken for thirteen sentimental years!

Sitting here in limbo
But I know it won't be long
Sitting here in limbo
Like a bird without a song
Well they're putting up resistance
But I know
That my faith will lead me on
Sitting here in limbo
Waiting for the dice to roll
Sitting here in limbo
Got some time to search my soul
Well they're putting up resistance
But I know
That my faith will lead me on
I don't know where life will lead
me
But I know where I've been
I can't say what life will show me
But I know what I've seen
Tried my hand at love and
friendship
But all that is passed and gone
This little boy is moving on
Sitting here in limbo
Waiting for the tide to flow
Sitting here in limbo
Knowing that I have to go
Well they're putting up resistance
But I know
That my faith will lead me on
Sitting in limbo

Double rainbows lace the sky
Wearing natural highs
Roads are winding still finding
me alone

Wheels are turning to my home
Winds of change refresh my mind
Child becomes a man
Shattered dreams and newborn
schemes
All as if by plan

Clouds behind me remind me of the rain
Teardrops falling recalling all the pain
Warm celebration sun shines today
Songs flow within me love finds a way...

Fears awoken unspoken words destroy
Friends around me surround me with a joy
Warm celebration sun shines today
Songs flow within me love finds a way.

NOTHING IS EASY

Nothing is easy
The time gets you worried
My friend it's OK

Just take your life easy
And stop all that hurrying
Be happy my way

When tensions start mounting
And you've lost count of
The things you've missed

Nothing is easy

Nothing is easy
You'll find that the squeeze
Won't turn out so bad

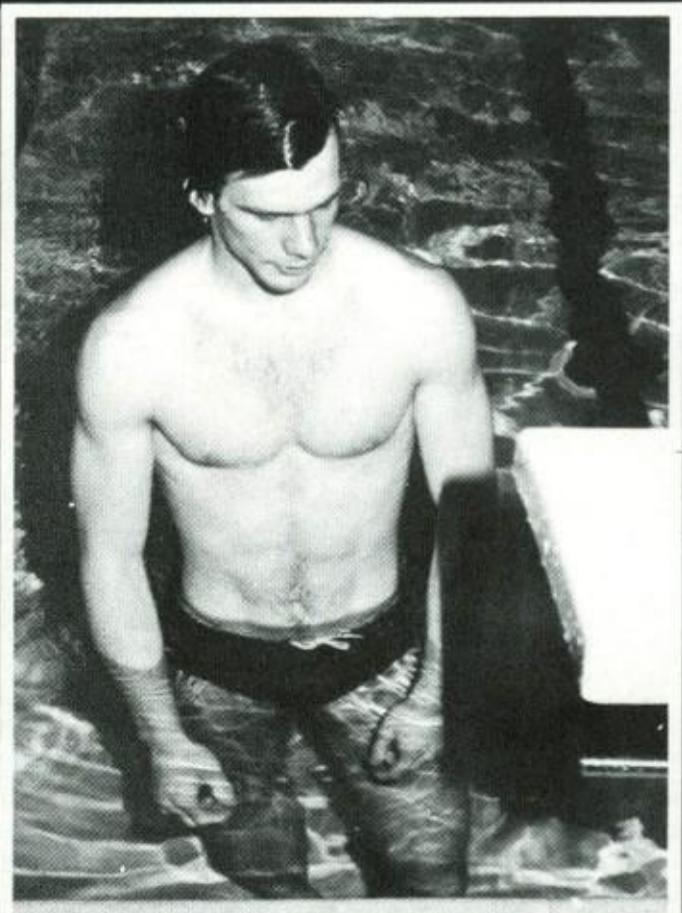

Your fingers may freeze
Worse things happen I've seen
There's good times to be had

So if you're alone
And down to the bone
Just give us a plate

You'll smile and while
You'll discover that
I'll get you happy my way

Nothing is easy

So I commend enjoyment, since there is nothing good for a man to do here under the sun but to eat and drink and enjoy himself; this is all that will remain with him to reward his toil throughout the span of life which God grants him here under the sun. I applied my mind to acquire wisdom and to observe the business which goes on upon earth, when man never closes an eye in sleep day or night; and always I perceived that God has so ordered it that man should not be able to discover what is happening here under the sun. However hard a man may try, he will not find out; the wise man may think that he knows, but he will be unable to find the truth of it.

JAMES ROSENTHAL

The last light fades and drifts across the land — the low, long land, the sunny land of spires; the ghosts of evening tune again their lyres and wander singing in plaintive band down the long corridors of trees; pale fires echo the night from tower top to tower: Oh, sleep that dreams, and dream that never tires, press from the petals of the lotus flower something of this to keep, the essence of an hour.

No more to wait the twilight of the moon in this sequestered vale of star and spire, for one eternal morning Heraclitus, did you find in fire and shifting things the prophecy you hurled down the dead years; this midnight my desire will see, shadowed among the embers, furled in flame, the splendor and the sadness of the world.

Dear Parent of a Hawken Senior:

The senior class evidently decided that January 25, 1980 was "senior cut day." Your child did not come to school on Friday. This note is to inform you of that fact and to advise you that this absence is considered an unexcused absence from school. Faculty are under no obligation to assist students in making up work missed under these circumstances.

Sincerely,

FALL SPORTS

FOOTBALL

The 1979 Hawken football team, despite injuries to 9 starters, managed to finish for the third straight year as the highest ranked single A high school team in the city. This was accomplished by the Hawken tradition of an explosive offense and a powerful defense.

After the injury to junior fullback Bob Fisher, the offense sputtered for a game or two before exploding at Newbury. That night another junior, "dancin' Joe" Matt Harthun, began to show just what a revitalized Hawken offense could do. By the end of the season, Matt became Hawken's first 1,000 yard rusher. When the opposing defense finally clamped down on our rushing attack, the aerial fireworks began with the highly respected combination of senior Jeff Hoadley to senior Mark Kalina. However, the Hawken offense did not stop there. A key run and block could always be counted on from junior Mark Hoffman. Breakway runs from sophomore Eric Hamilton were far from uncommon. When Hoadley looked to his left to throw, he always found sure hands in juniors Dale Kates and Keith Logan, sophomore Peter Henkel and senior Jon Barris. An offense is only as good as the line and this years line rose to the occasion by providing large holes and excellent pass protection. The line, led by seniors Gary Beven and Adam Cohen and strongly supported by juniors Alan Swick, Mark Deutch and Mike Wagner, kept the Hawks in many games and consistently used sharp blocking to lead ball carriers to touchdowns.

Defensively the Hawks were led by sophomore linebacker Leonard Slodov, who broke the Hawken record in tackling. The front five spent most of the games in the opponents' back field. The five at the start of the season consisted of seniors Neil Howell and Joe Viny and juniors Dave McCreery, Mike Greenberg and Gib Kirkham. When Howell, Viny, and Kirkham were injured they were replaced by senior John Horvitz, juniors Dale Kates and Mark Hoffman and freshman Dave Groves. The other linebacker positions consisted of seniors Ken Merkatz, Chris Cabot, and junior Ed Vizdos who reamed the field. The defensive secondary leadership was found in Jeff Schwartz until his injury. Then junior Keith Palevsky stepped in and intercepted three passes in his first game. Rounding out the defense was junior Matt Harthan and sophomore Peter Henkel who quickly adapted to their positions as cornerbacks. Matt led the team with seven interceptions, while both Peter and Matt made many game saving tackles.

The team, inspite of losing seven seniors in the future will be led by the finest group of players for a long time. In the final analysis, we compiled an eight-two record. Not enough can be said about the coaches. Under the guidance of Coach Spicer, and assistant coaches Ribar, Walton, Davis, and McCracken, we came together as a team, and they instilled in us a sense of pride that will be remembered long after the individual team accomplishments are forgotten.

CROSS COUNTRY

With the loss of only one of the previous year's top five runners, everyone seemed confident that the '79 cross country team was in for its most successful season ever. Todd Kneale, the team's fourth man in 1978 and winner of that year's most improved award moved up to the first position in '79 and again was chosen most improved runner. Todd and second man Armen Najarian led the team comprised mostly of juniors. Two newcomers to the cross country team, juniors Dave Scharf (a sprinter) and Don Rositano, along with captain Jay Brice, traded off the remaining 3 of the top five positions throughout the season in friendly rivalry. Charles Gilbert put in his first year on the team as a senior, and despite his late start made a great contribution to the team, along with Jeff Hoffman, Dave Sullivan and Marcus Brittenum, in bumping back potential scorers on other teams. The team gained only one freshman in '79, Jim Kasmer. Jim gained valuable experience this year for a future which holds much responsibility for him, along with sophomores Jeff Hoffman and Marcus Brittenum, as the rest of the team will graduate after the 1980 season.

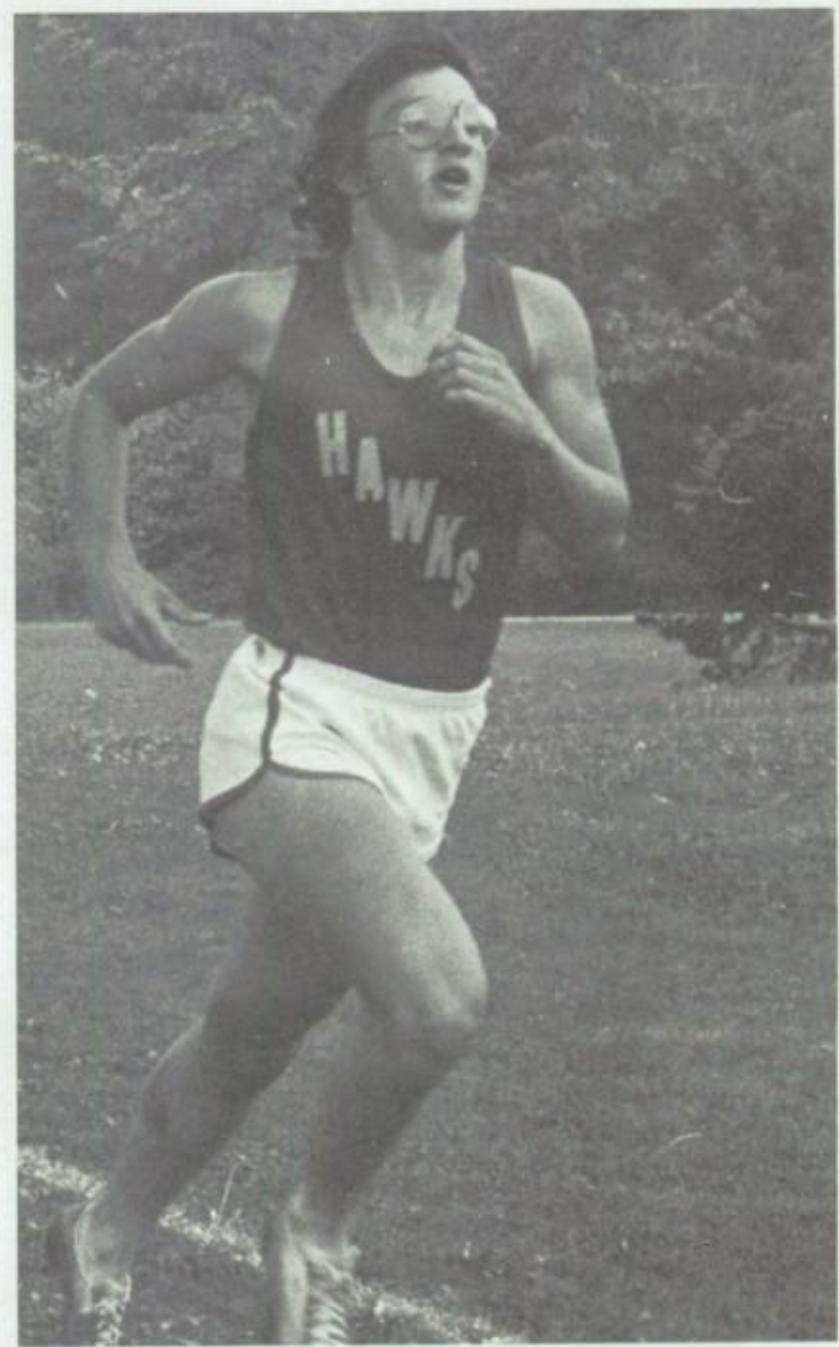

Although the team was plagued with several minor injuries throughout the season, hopes were high as the State Meet approached. But disaster struck as the taper for sectionals began and second man Armen Najarian suffered an injury to his ankle. The team's season ended at the sectional meet, but first man Todd Kneale and captain Jay Brice ran in the District Meet as individuals, ending their season a week later than the rest of the team.

Again with the loss of only one senior from the top five, the team's 1980 season looks brighter and stronger than ever as its remaining top four runners will be experienced and dedicated seniors. To the 1979 Hawks I shall look back with fond memories, and to the 1980 Hawks I raise my glass in anticipation.

In August, the girls tennis team returned to Hawken to begin a rebuilding year. Faced with the loss of last seasons top two players, outsiders predicted the team would have an average season. Fortunately, the players felt otherwise, and with the help of first year coach Mary Haskell, played to a respectable 9-6 record.

The team also did very well in tournament play. In the Ohio Tennis Coaches Association tournament they breezed through the first two rounds before falling to the eventual state champion, Laurel. The sectional tournament was highlighted by sophomore Liz Peay's fine performance; as runner-up she advanced to districts where she again came in second. The doubles teams both made it to the semifinals. The team of junior Jane Selis and sophomore Nancy Hastings lost a tough match to Laurel's state champion team 6-4, 6-4. Senior Anne Schwartz and junior Rachel Mann lost a heartbreaker to the other Laurel team 7-6, 7-6.

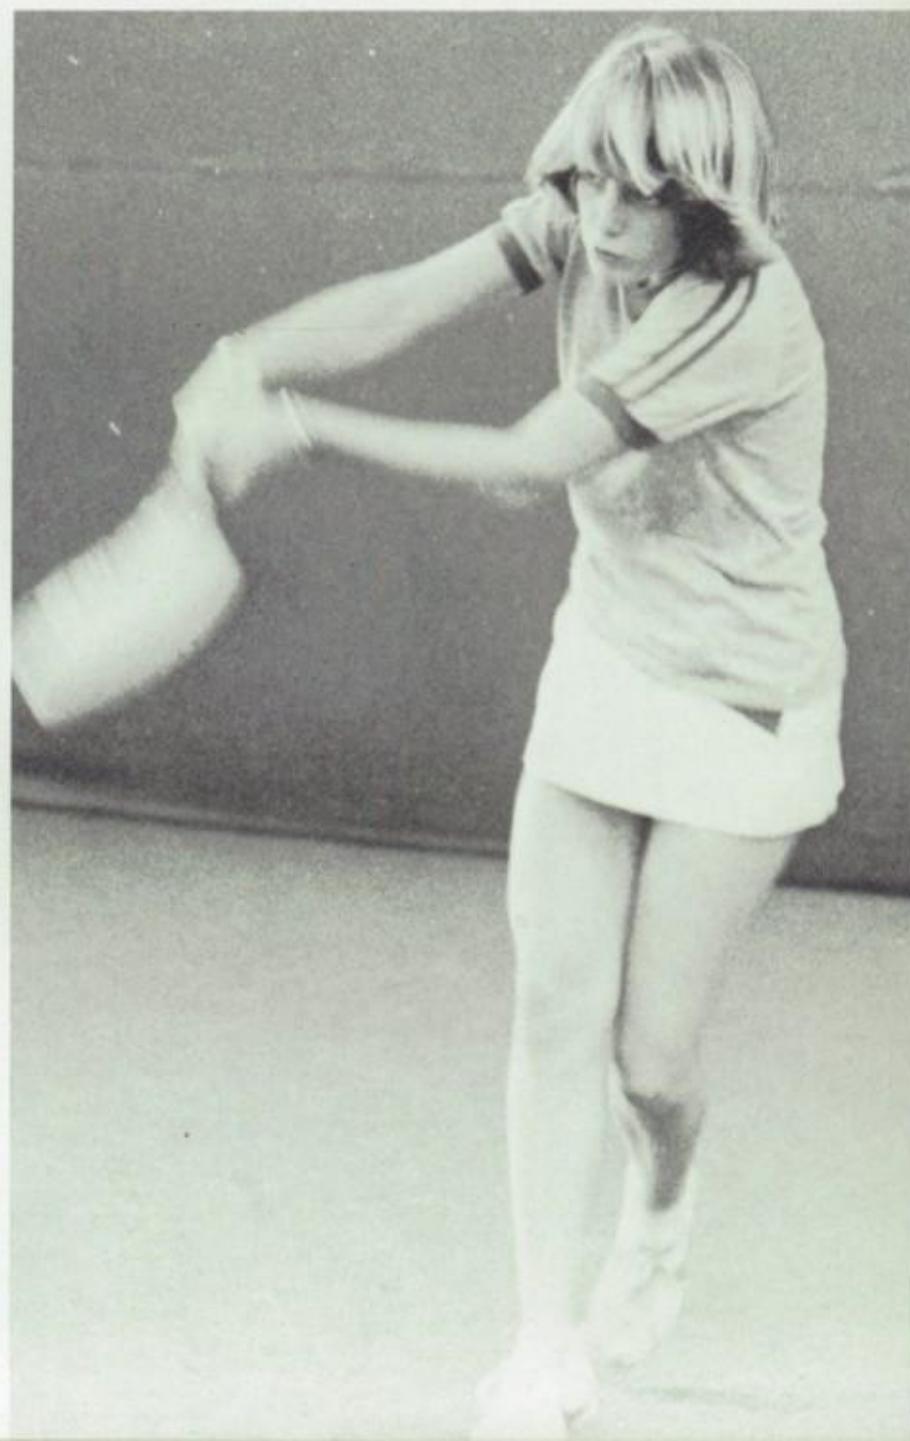

The team was led by senior captain and old board winner Anne Schwartz, who finished the season with a 10-8 record at the tough second singles spot. Liz Peay also did very well, compiling a 13-6 record against the area's finest players at first singles. At third singles Rachel Mann had an outstanding season, holding the teams finest record of 14-4. At first doubles was the strong duo of Selis and Hastings with 10 wins against just 5 losses. At second doubles junior Beth Hellerstein and sophomore Dennie Eaton provided some strong support, ending the season with an 8-6-1 record. Junior Ann Whiteman, the team's most improved player, filled in when needed, sporting a 1-1 record.

This year's junior varsity team also did very well, winning two-thirds of their matches. With a strong 6-3 record, these players should contribute to the success of a powerful varsity team next year.

SOCER

In August of 1979, the soccer players gathered for what was to be a winning season. Before the season began, the competition believed this was to be a building year for the Hawks and we would not be a troublesome factor. But thanks to a strong-hearted team, though inexperienced, the Hawks pulled it through and came out winning 8-7-1.

There were only five remaining lettermen this year, only two of which were regular starters. This year's team was made up of fifteen players: in the senior class Bennet Blau, Ross Davies, Geoff Ellis, Dan Leizman, Jay Sargent, Alan Wilde, and juniors Juan Antunez, Tom Brinker, Glenn Girty, Neil Lasky, Paul Nahra, and sophomores Ethan Cohen, Eric Ellis, Dave Lader, and Martin Schulz.

The Hawks' schedule was very tough: ten triple A schools, five double A schools, and only one single A school like us. It was one of the hardest schedules the Hawks have faced, and nine of the sixteen teams we played finished with winning records.

To name all the brilliant moments the players had as a team would be impossible, so a recollection of the best games will follow: 5-1 victory over W.R.A., 6-1 over West Geauga, the tie game in the last 22 seconds against Lake Ridge, beating Beachwood in an icy drizzle 3-1. There were a number of games the Hawks could have won this year, but didn't. It seemed any game lost by 1 could have been won by 1.

Next year, the Hawks have the base for a truly excellent team, and with the fine coaching of Steve Haas, it will be a season to remember, as this one was. This year's team was the third winning season in a row for the Hawks; next year's team will be the fourth.

It should be mentioned that three other players received Varsity letters for their four years of dedication to soccer. They are Rob Edgerton, Rob Meisel, and Dave Weidenthal.

The 1979 field hockey team started its season with several handicaps. There were only four returning lettermen, a new coach, and many players new to the sport. The season was spent rebuilding the team after the loss of many seniors last year.

The four returning lettermen were seniors and held defense positions. These seniors were Beth Gibans, Donna Alemagno, Sue Drake, and Marian Morris. The defense was extremely solid. The halfbacks included a dependable and strong Beth Gibans, a very aggressive Tracey Easterday (defense award), and a steady and consistent Susan Selis. Rookies Annie Blum and Wendy Bauer displayed their adeptness by learning how to play hockey so quickly. The defensive combination of fullbacks Donna Alemagno and Sue Drake (Old Board Award) and goalie-captain Marian Morris was tough to beat. Drake also played forward line due to her versatility and powerful drives. When Drake played forward, Meg Belden and Sherri Powar displayed their ability at defense positions. Donna Alemagno was a great asset because of her dependability and strong drives.

The offense consisted of many new players. Players new to the game were freshman Sue Emert, freshman Amy Leizman, juniors Alison Loop and Rozanne Zulauf, and senior Debbie Fader. All of these players caught on very quickly. Emert (most improved player award) displayed her skills at dodging and driving. Other offense players included Pam Hyde, Meg Belden, Amy Weidemann and Sharon Marsee. The scoring power was shared between these players. Through previous experience, Marsee (offense award) was able to lead the forward line. All of these players will add a tremendous amount of experience and skill to next year's team.

Perhaps the root of the problem stemmed from the lack of unity and responsibility that commenced at the beginning of the season. These problems were hard to cure because the team lacked a unifying force. However, we put it all together during the last game of the season when we all got psyched and played together as a team. With the experience and knowledge gained from this year, next year's team will be able to build into a much stronger team.

The Hawken Golf Team finished the tournament season with a first place in the Sectionals, first in the Districts, and fourth in the State Tournament.

The Hawken golfers fired a 347 to win the Sectionals by 18 shots. Gary Rusnak was the tournament medalist for classes "A", "AA" and "AAA" with a 75.

A 335 gave the golf team its third consecutive District championship. The team was led by Gary Rusnak's medalist score of 73 and Greg Rusnak's runner-up score of 79.

In the State Tournament, the team fired a 361 on Friday and a 345 on Saturday for a 706 total. Finishing fourth in the state was Gary Rusnak with an 84-79, 163; seventh in the state was Greg Rusnak with an 85-85, 170. Bill Randorf had a 92-86, 178 and Brad Dunning had 100-95 for 195. Bernie Perla was the fifth man.

The team's dual match record finished at 9-5. Gary Rusnak had a 37.9 average, Greg Rusnak a 42.7 average. Bill Randorf Brad Dunning and Dale Pistilli had 44.7, 47.8 and 48.4 averages respectively.

Joe Farris and Chris Rossi also competed in dual matches although Farris injured his back and wasn't able to play in the State Tournament. With every member of this year's squad returning, the Hawken Golf Team should have another outstanding season next year.

VOLLEYBALL

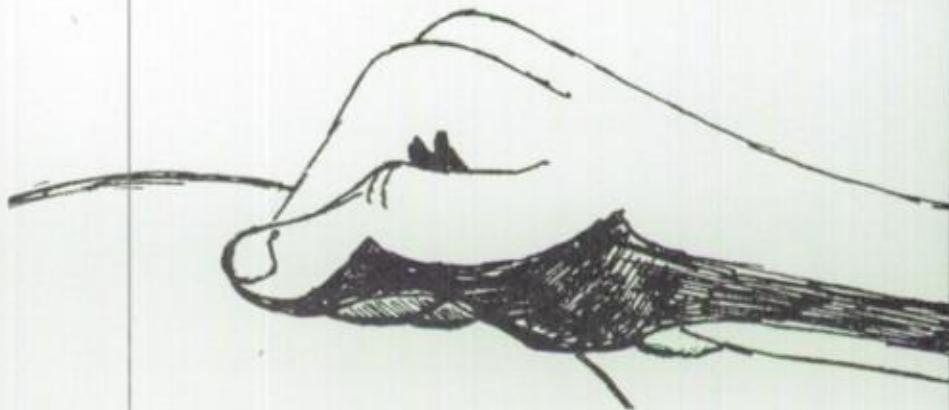

The 1979 Varsity Volleyball Team welcomed a new coach this year, Mrs. Kathy Kuss. It was a learning experience for both team and coach as we strived to improve and learn from each other. In spite of a 6-10 record, team spirit and friendship made it a winning season.

The team was led by senior co-captains Debbie Katz and Diana Horvat. Debbie's three years of varsity experience and bumping and serving abilities made her a key player and contributed to her receiving the Old Board Award. With two years of varsity experience, Diana strengthened the team's offensive game with her excellent downward serve and spike. Senior Kim Humphrey contributed greatly to the team's overall performance as a starting setter. Senior Maria Rozhin developed much-needed blocking skills and improved her serving and spiking abilities. Senior Amy Korman was a hardworking, dependable player who strived to improve throughout the season; her willingness to work and friendliness earned her the team award. Junior co-winner of the Most Improved Player Award, Bev Lyles, strengthened the team with her consistent serve and jumping ability which contributed to her spiking and blocking. Anne Bresnick, a second year starting sophomore, was a fine all-around player who excelled in setting. Sophomore co-winner of the Most Improved Player Award, Kim Cabot, showed promise as a top server and spiker. Sophomore Marcia Brown worked on her serving and setting skills, and her improvement was apparent. Nancy Harthun, a freshman who moved up from the Junior Varsity, was a capable and determined player who will be a leader in future seasons.

The Junior Varsity, under Coach Dave Rosenzweig, finished the season with an outstanding record of 10-5. It will undoubtedly contribute many fine players to future Varsity teams.

BOYS BASKETBALL

Coming off a 4-15 season and with only three returning veterans, the Hawken Varsity Basketball team's hopes for a successful season seemed quite bleak. However, to the surprise of most everyone, this year's team proved to be one of the best in Hawken's history. With a blend of youth, a little experience, and a lot of desire, the team was able to boost an 18-4 record and claim the sectional championship.

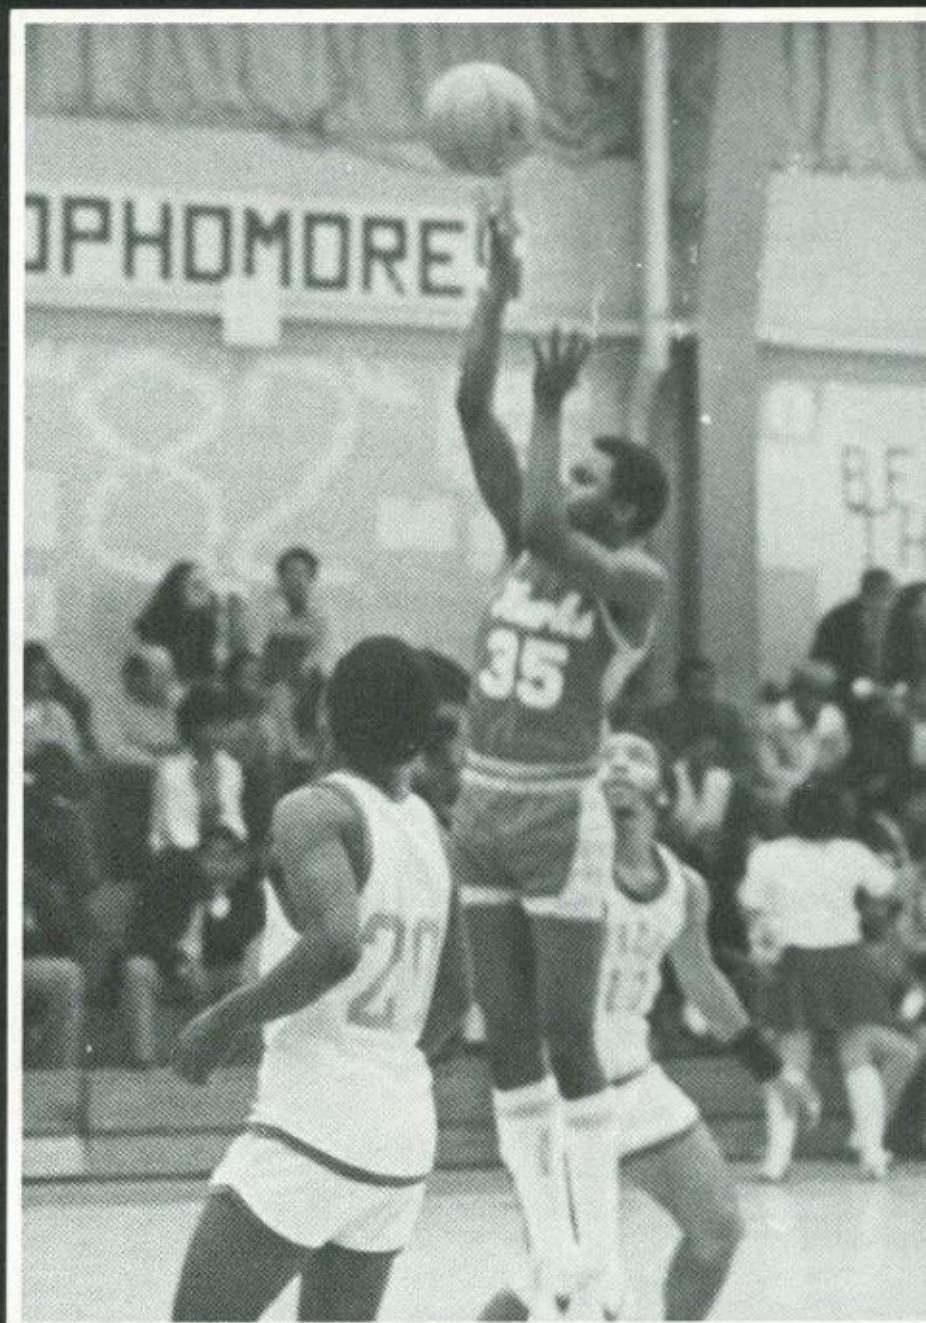

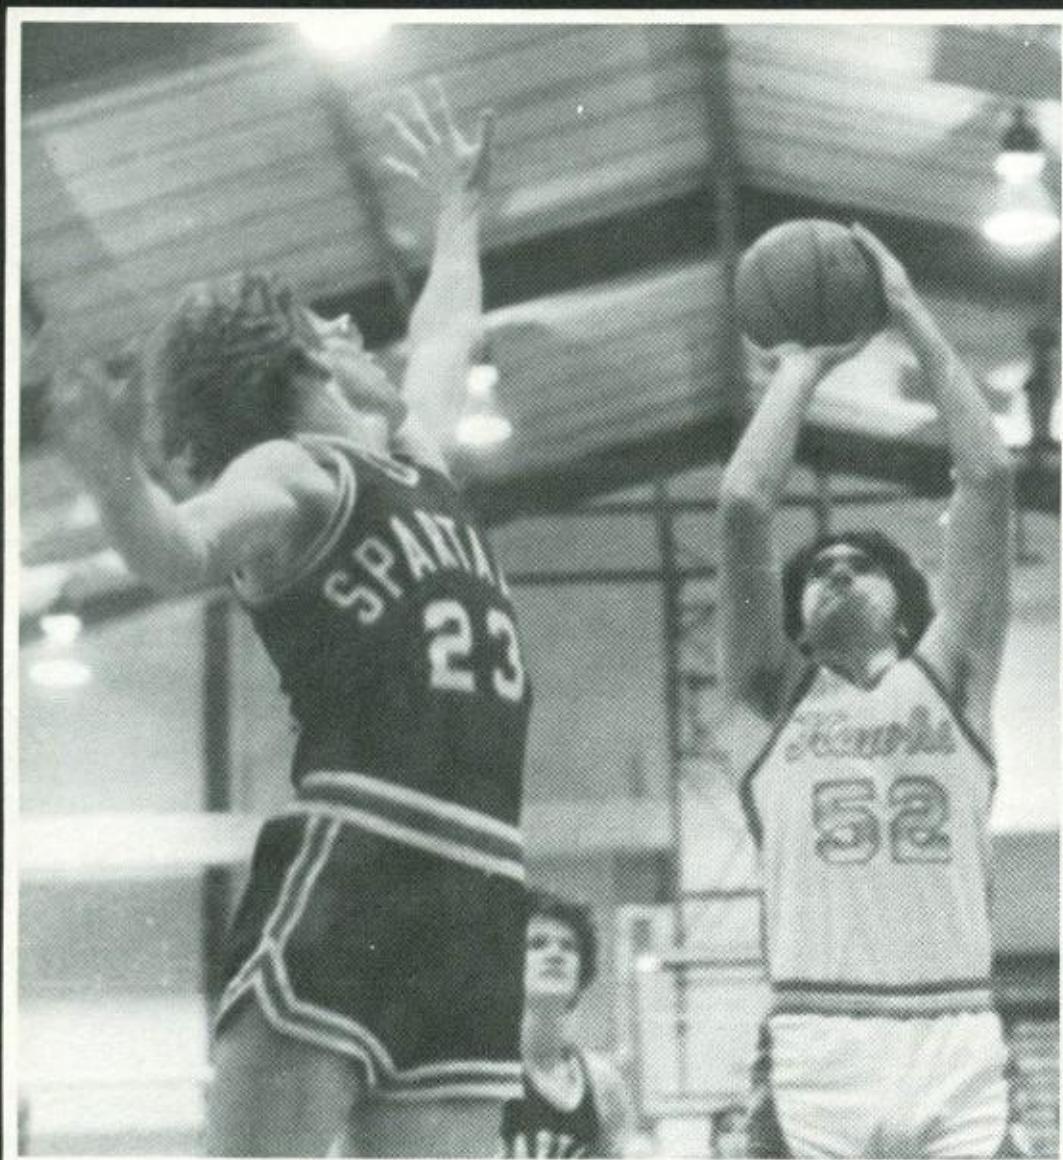

Leading the team were veteran seniors Jeff Hoadley and captain Mark Kalina. Hoadley led the team in blocked shots and Kalina helped the team from the point. Junior Dale Kates played the other guard position and led the team in assists with four per game. Rounding out the starting line-up were sophomore superstars Steve Phillips and Eric Hamilton. These two led the team in both scoring and rebounding with Hamilton scoring 11.4 points a game and grabbing many rebounds, while Phillips scored 10 points per game.

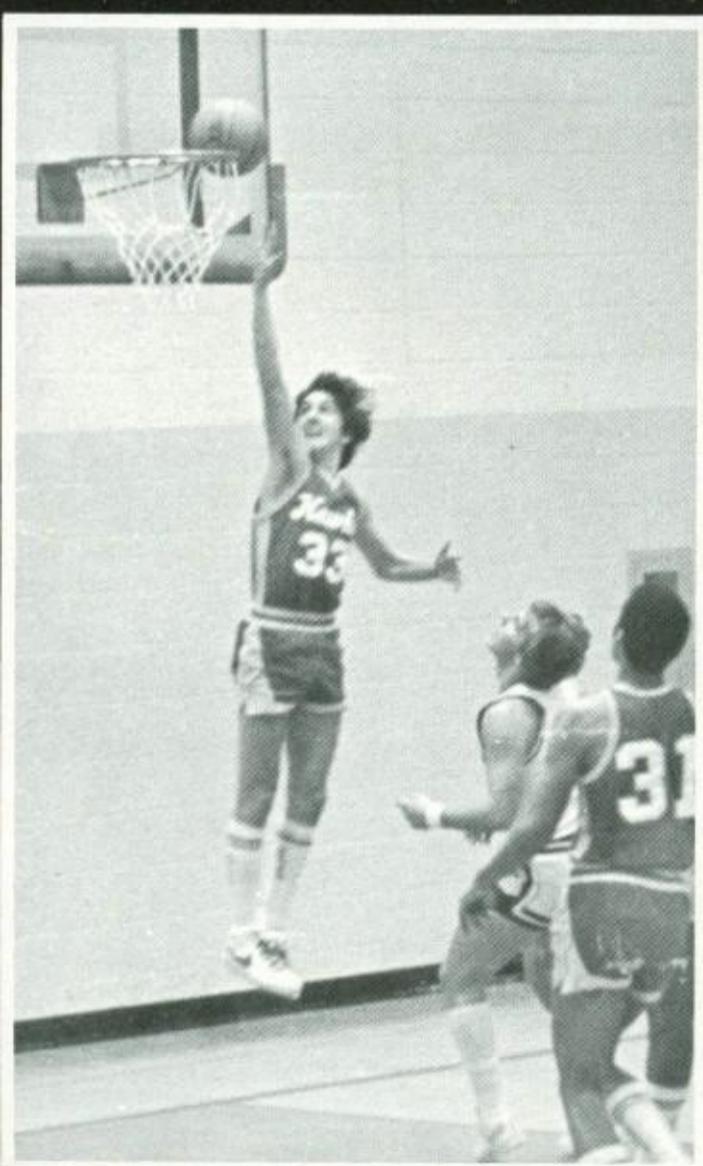

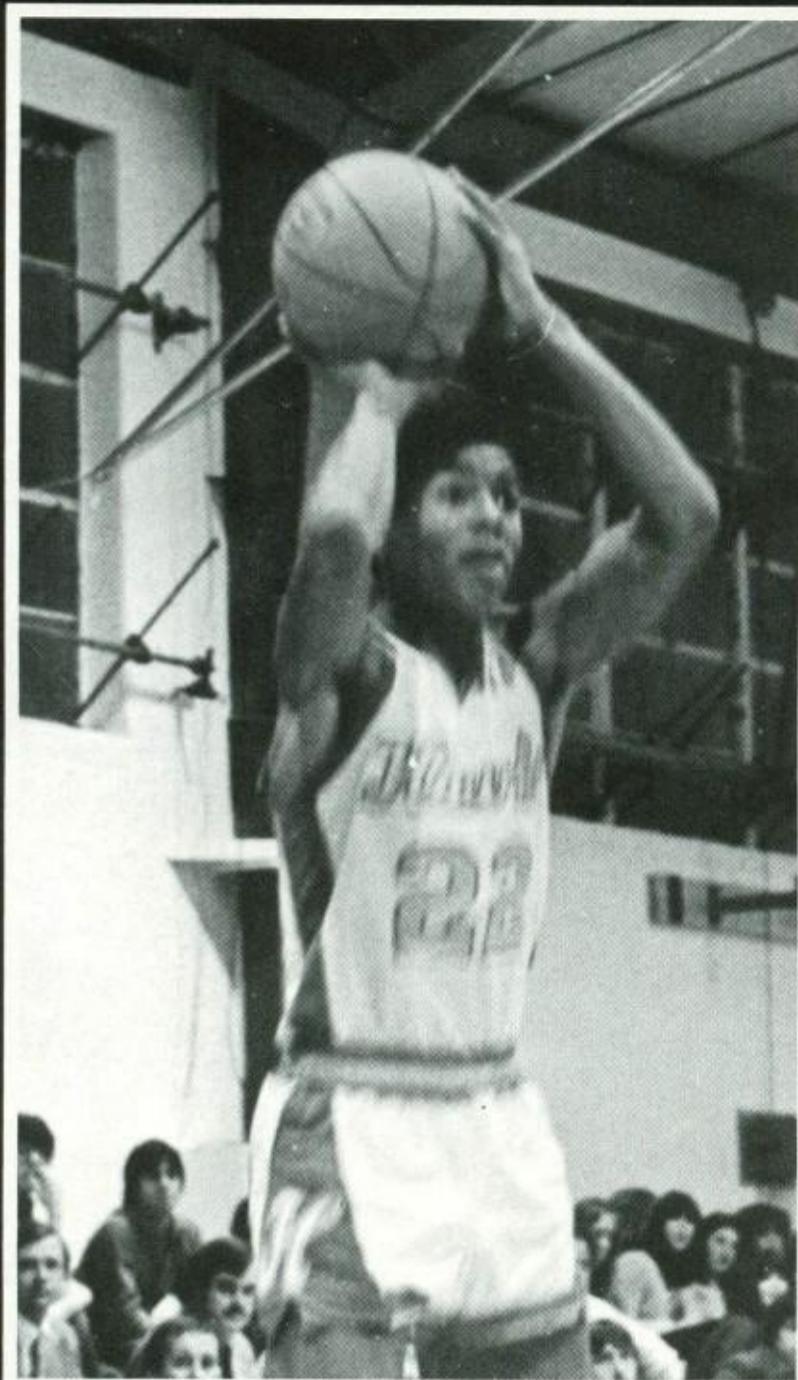

Junior Keith Logan came in often to clear the boards; junior Juan Antunez was always able to aid with his hot shooting hand; and junior Mark Hoffman devastated many opponents with his tenacious defense and constant hustle. Another bright spot was sophomore Brent Maynard, an amazing dribbler and passer. Strong support was also given by seniors Jon Guggenheim, Andy Fenton, and Gerald Johnson.

The 1979-80 edition of the basketball team was an exciting but inconsistent group. They defeated archrivals U.S. and Archwood in one week, but then lost to both later in the season. Coach Bryan and his crew most certainly made themselves proud in bringing Hawken basketball back up to the plateau it had once reached.

This year's wrestling team gave a tremendous effort to make this a record shattering year for Hawken wrestling. As a team, the Hawks started their season with 2 wins and 3 losses. However, the Hawks improved dramatically winning 9 of the last 10 matches to end the season 11-4. This was the best record in the history of Hawken wrestling. One of many highlights during the dual meet season was a 45-18 crushing of archrival University School. The first but definitely not the last victory over the Preppers. The last dual meet of the year, against Cleveland Central Catholic, showed the overall strength and skill of this year's Hawks. Every Hawken wrestler won his match! The score: Hawks 54, C.C.C. 5 by a forfeit.

The Hawks entered the post season tournament competition expecting to do well as a team despite the presence of wrestling powers such as '78 State Champs Cardinal and '79 State Champs Richmond Hts. But the Hawks did better than expected.

The Hawks finished in 3rd. place compiling 120½ points in two days of competition. This was the best showing in sectionals in the Hawk's history. In addition, eight Hawken wrestlers advanced from the tough sectionals to the district tournament.

Wrestling is an individual sport as well as a team sport. Individually the Hawken wrestlers excelled tremendously. Every full time varsity wrestler won five or more matches with at least one pin!

This year there were three senior wrestlers. Tri-captain Charles Gilbert finished 12-2 in dual meets with 7 pins, 2 superior decisions, and 2 major decisions. He also placed 2nd in the Hawken Tournament and 3rd in the sectionals. Fred Davis had a 6-2

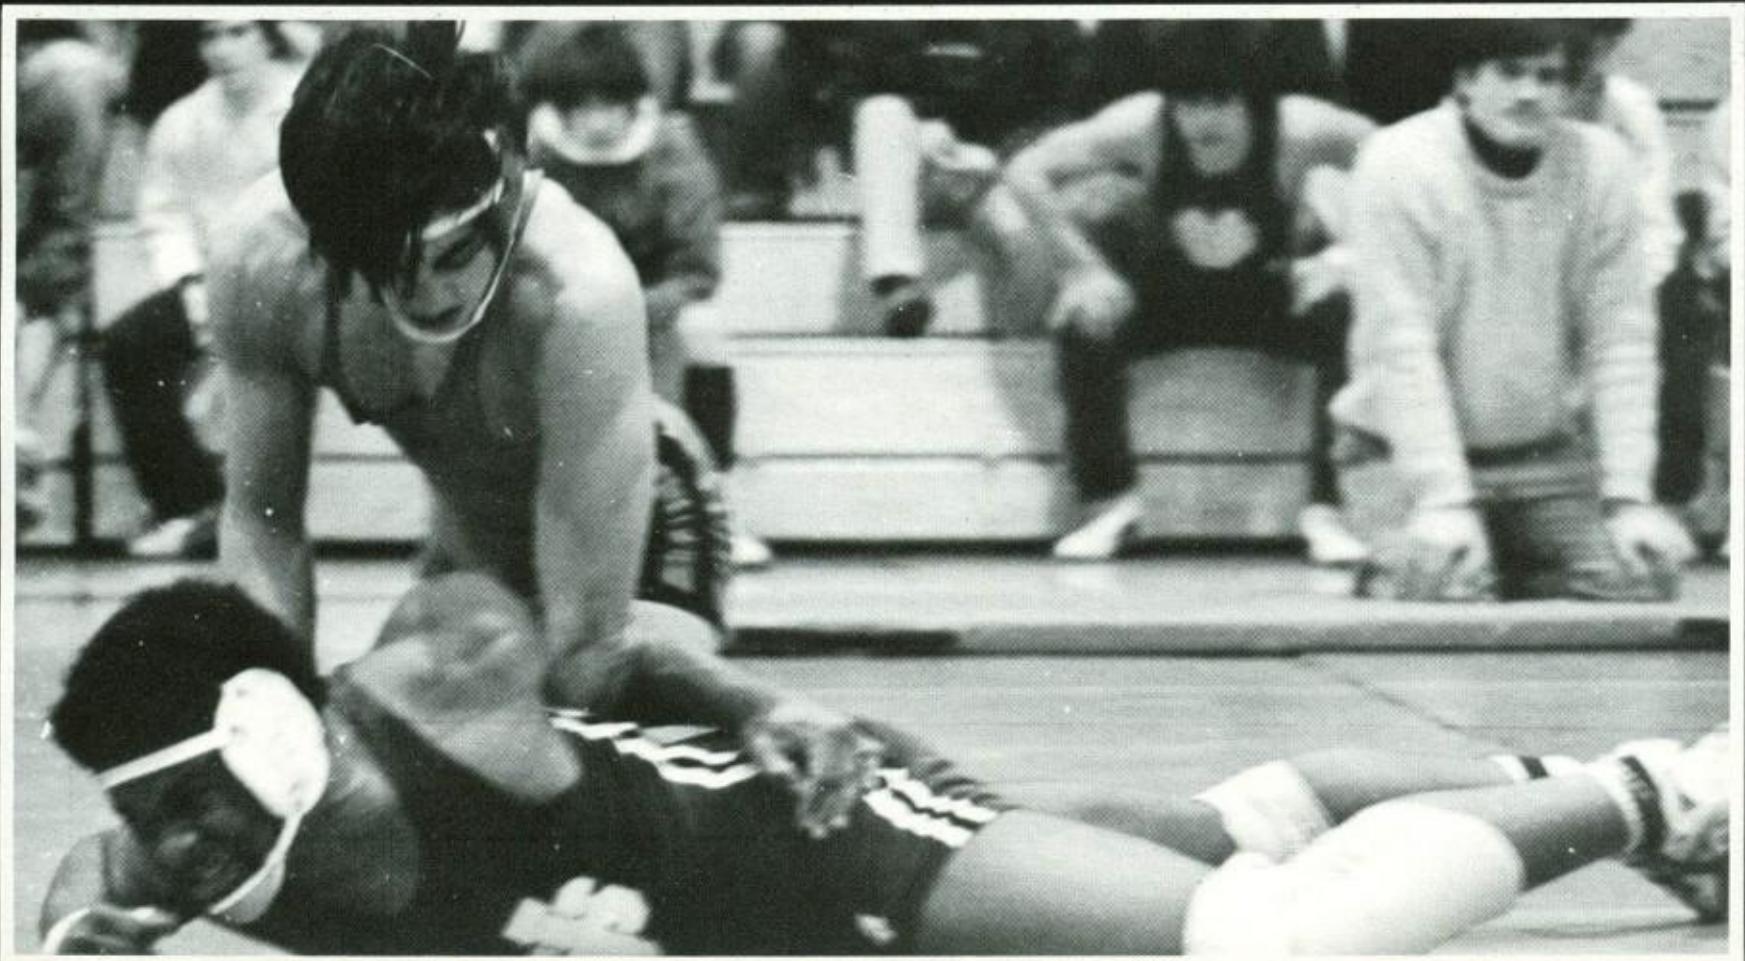

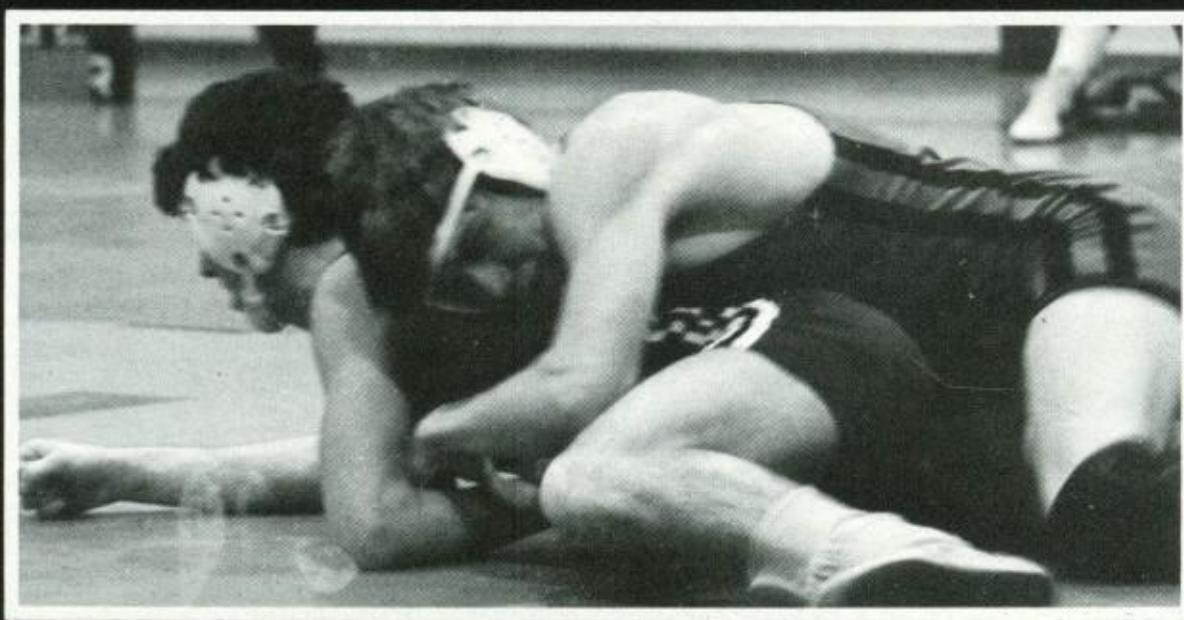

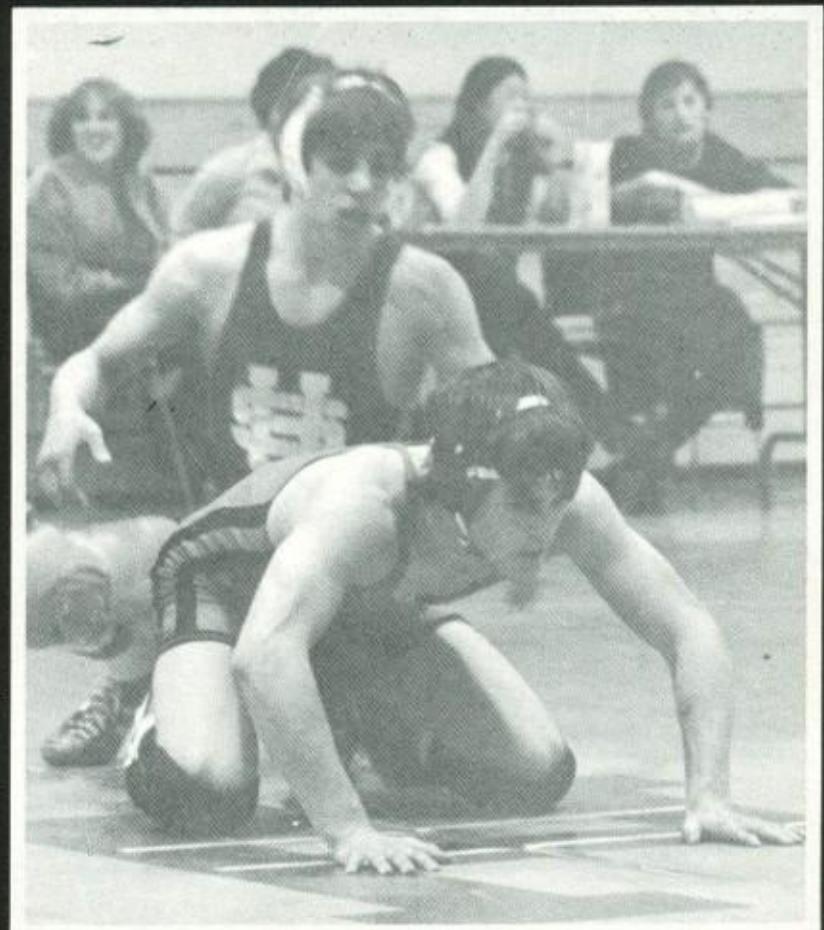

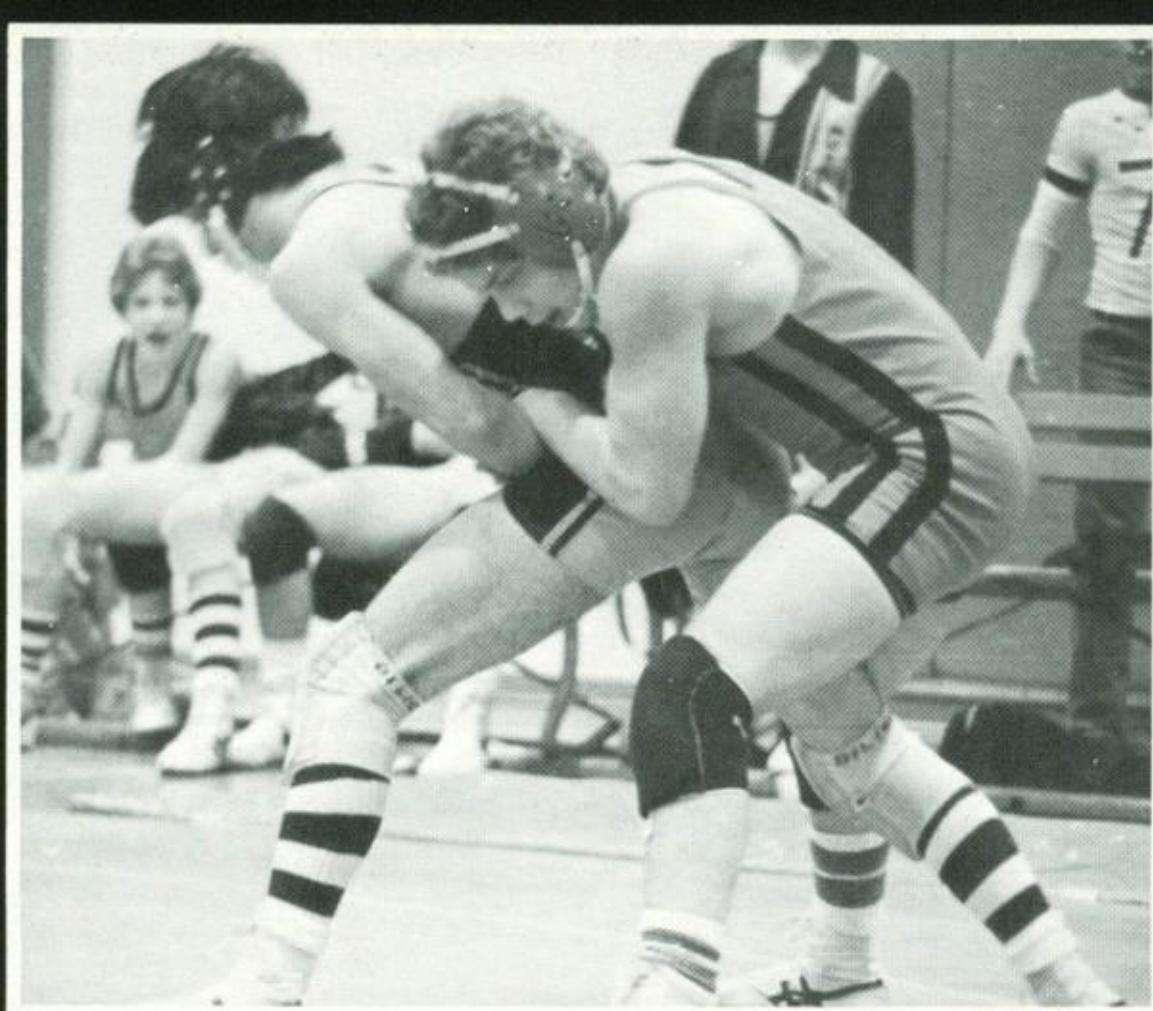

record which was good enough to give him 3rd seed in the sectionals. Jamie Barker, the last of the senior trio finished with a 7-6-1 record against fierce competition and placed 5th in the sectionals.

Outstanding juniors this year included tri-captain Don Rositano who finished with an unblemished 18-0 record, a 1st in the Hawken Tourney and a 2nd in sectionals. Tri-captain Bob Fisher finished 21-1 with a 3rd at the Hawken Tourney and a strong 3rd at sectionals. Paul Frankmann finished 19-1-2 on the season and 2nd at the sectionals. Steve Warner surprised most everyone. Beginning with a losing record, he came back to end up 12-9 and place 2nd in the sectionals. Mike Greenberg also started out slow but ended up 11-4-1 with a 4th place finish in sectionals. Freshman Hugh Gettig also showed immense talent. He was 14-3-1 for the season and he placed 2nd in the sectionals. Also qualifying for Districts was sophomore Tom Stanley. He was 4th in sectionals.

To be a part of this year's Hawken wrestling team has been a rewarding and enriching experience for each and every wrestler. The Hawks were a team of class individuals who worked together and supported each other. Look for more of the same next year with more victories.

Thanks for a wonderful year Mr. Walton, Mr. Davis, and Mr. Rositano. The team; Shake & Bake, Freddie, Disco Chuck, Rosidego Fish, Greenberg, you're such a spoon, Frankberg and Lou and the rest of the Hawks and Becky Collins for keeping stats and making goodies every match and last, but not least, our wonderful fans who cheered us on.

Good luck in the years to come Hawks. See you at States!

GIRLS BASKETBALL

When teams have a losing season, they are said to have a rebuilding year. The 1979-80 Girls Varsity Basketball team had a rebuilding year. After losing last year's starting five, the team was left with a young and inexperienced squad. However, with four returning lettermen and the determination of the newcomers, we managed to compile a 7-14 record.

The starting five consisted of senior captain Debbie Fader, juniors Rachel Mann, Beth Hellerstein, Beaver Lyles and senior Donna Alemagno. With the tallest girl standing at 5'7", the team relied on the outside shooting of Mann and Fader. Mann was the leading scorer averaging a little more than 12 points a game. In addition to being leading rebounder, Beaves provided the team with a solid inside game even though her opponents always had a height advantage. In the first game against Laurel, she broke the school record with 24 rebounds. Point guard Beth Hellerstein provided the team with good ball handling and also added depth to the outside shooting. Donna Alemagno added needed strength under the boards. Coming off the bench very frequently were seniors Anne Schwartz and Kim Humphrey, sophomores Ann Bresnick, Lisa Deighan, Linda Alemagno, junior Michelle Rhodes and freshman Nancy Harthun. Because the team was plagued with some injuries during the season, head coach Smith relied very heavily on this crew to fill in the vacant spots. Rhodes, Schwartz and Harthun filled in at the wings while Bresnick and Humphrey helped out at point guard. Deighan and Linda Alemagno helped out on the boards by filling in at the forward and center positions. With 8 returning lettermen, next year's team should be stronger and have hopes of a more successful season.

Despite a losing record, there were many bright spots in the season! Van rides with storytelling Beaves, singing, losing, DARTBOARDS, hitting trees with cars, losing again, some of our nonstop eating of pizza (and everything else), breaking lent and diets (not once, but twice), losing some more, those "unannounced" dinners, wrong baskets, losing even some more, injuries, OUTHOUSES, "blacks and whites", losing once again, hail Smitty(s), overtime WINS, tight sweats, having to sell presale tickets because of all our fans, forgotten tennis shoes, winning states but forgetting to tell anyone, MAGULE, Beth's b-day, our anonymous sweaters, SOME people dancing (or something) on court, burning of a picture, stealing b-balls, those serious practices, time outs for a hurt thumb, all our spunk, and SPIRIT(?), all of Fader's announcements in school meetings, our day of fancy lay-up drills, being a TEAM and FUN! P.S. S.B. and T. are almost here . . .

A light exists in spring
Not present on the year
At any other period—
When March is scarcely here.

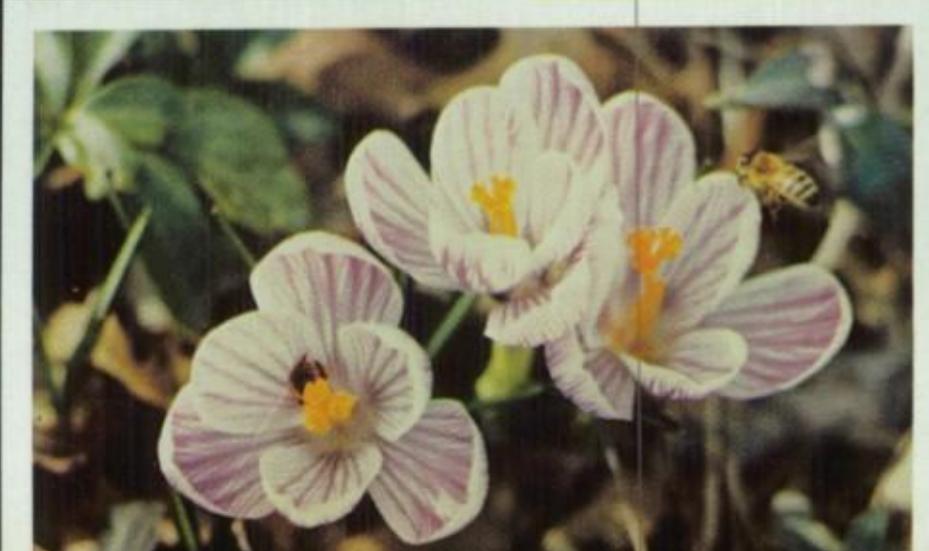

A color stands abroad
On solitary field
That science cannot overtake
But human nature feels.

It waits upon the lawn,
It shows the furthest tree
Upon the furthest slope you know
It almost speaks to you.

Then as horizons step
Or noons report away
Without the formula of sound
It passes and we stay—

A quality of loss
Affecting our content
As trade had suddenly encroached

Three herons, a dead hawk
Rotting on a pole —
Clear yellow!*

SPRING SPORTS

When the 1980 girls' softball team started practice in the wrestling room in March, we didn't know what to expect. Little did we know that with a team of only 6 upperclassmen, we would finish the season 2½ months later with a very respectable 16-6 record. Thanks to the superb coaching of head mentor Ron Robinson and assistant coach Jim Bresnicky, the spirit on this close knit team and the leadership provided by senior tri-captains Debbie Fader, Anne Schwartz and Donna Alemagno, it was a great season.

One of the finest infields in Hawken history provided the team with a solid defensive core. The starting lineup of Soph. Linda Alemagno at 1st, Frosh Nancy Harthun at 2nd, Jr. Rachel Mann at SS and Sr. Anne Schwartz at 3rd, tortured opponents with an almost errorless defense. The infield will be remembered best of all for Nancy's acrobatics, Rachel's incredible grabs, Linda's body stops, and Anne's immortal catches.

This year's outfield was also one of Hawken's best. Led by seniors Debbie Fader in left and Donna Alemagno in right center, there were very few spots for fly balls to fall. Their outstanding catches kept the lady Hawks on the winning end of the scoreboard. These valuable seniors will be missed next year. There are many other talented fielders to help fill this void though. Soph. Anne Bresnicky started in left center field all season, while Lisa Deighan and Beth Hellerstein alternated in right. Sophomores Wendy Bauer and Kristy Loveman also filled in when needed.

Another important factor attributing to the Hawk's successful season was the pitching staff. Soph. Lisa Deighan and Jr. Beth Hellerstein both did a fine job at this position, combining for 30 strike-outs on the year. Deigs earned an 8-4 record while allowing only .98 runs/inning. Beth posted a 7-2 record and a fine .79 R.P.I. average. Frosh Karen Warner caught for both pitchers and did an excellent job in her first season.

To compliment their defense, the girls produced a .395 team batting average. They were led by Jr. Rachel Mann who set school records in 3 categories. She finished the season with 48 hits, 10 H.R.'s and 98 total bases. Mann also led the team with 41 runs, 7 doubles, 5 triples, 39 RBI's and a .558 batting average. Debbie Fader and Donna Alemagno also provided the team with a strong offensive punch; both batted .469 for the season.

Finishing the season with a combined varsity and JV record of 21-7, the girls not only were successful, they also had a great time. We will never forget Mr. Bres sprinting from the field after the Hawken Tournament, Tarzan Warner's jungle call when she hit her first home run, Nancy Harthun's razzle-dazzle as she made her hot dog plays, Nicky Bres coining the phrase "KSOR", and Mr. Bres' chewing tobacco. Last, but hardly least, we will always have memories of our sometimes pessimistic, sometimes doubtful, sometimes wet, usually obnoxious, but ALWAYS greatly appreciated head coach. Thanks Dad.

BOYS' TRACK

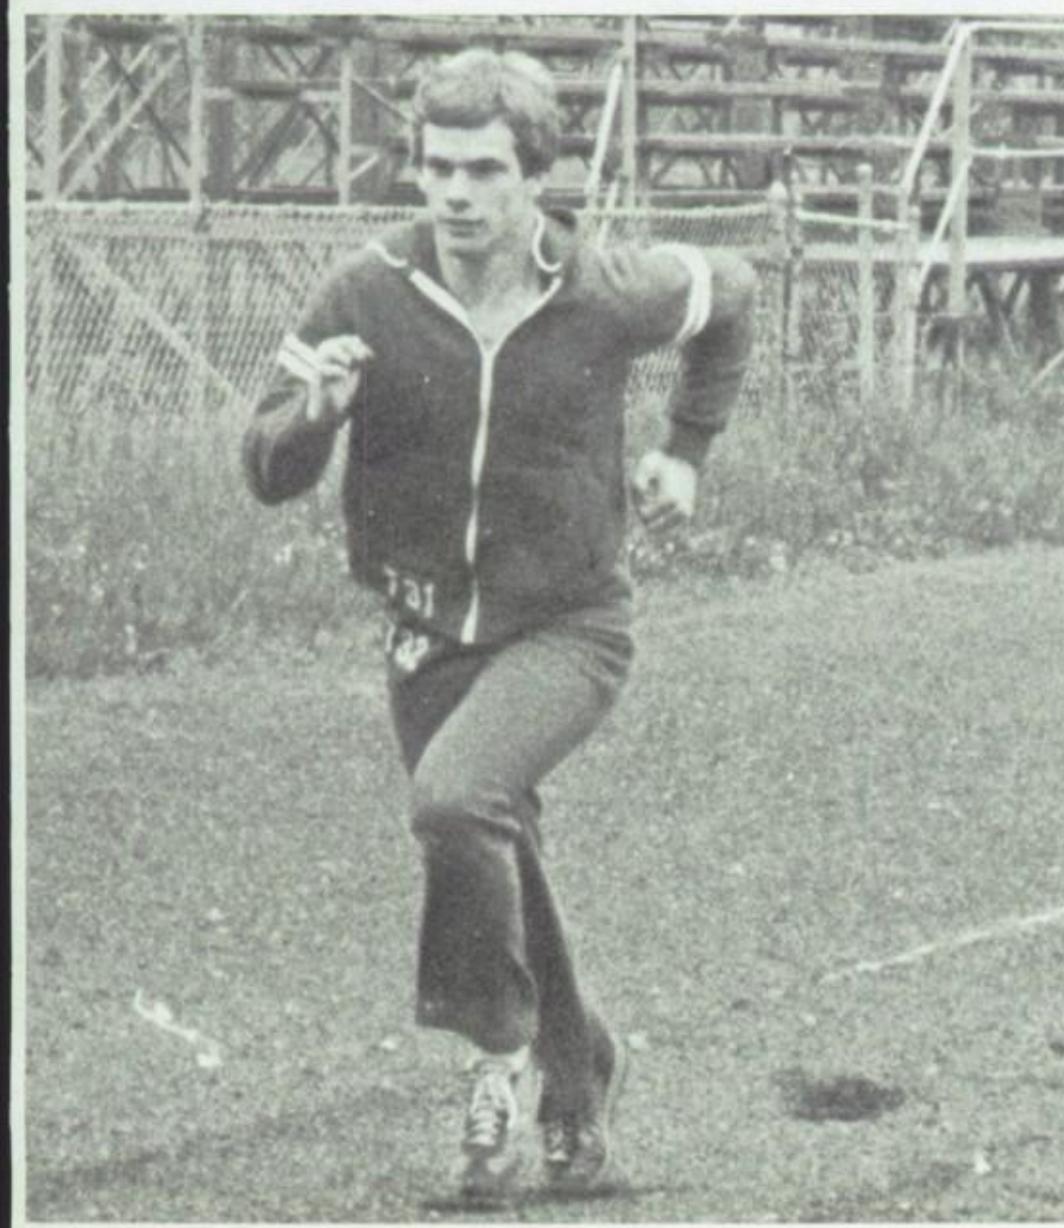

The 1980 Hawken boys' track team had one of the best track seasons ever at Hawken. The team tied for first place in the Cuyahoga Relays, as well as winning their own Hawken Relays. The team finished one point away from first at Sectionals, qualifying ten positions for Districts, and from there advancing two to the State meet. The track team also set three school records this year, including both sectional-champion relays. The 400 meter relay team of Glenn House, Mark Dettelbach, Harlan Ullman, and Matt Harthun ran a time of 45.1. The 1600 meter relay team of Dave Scharf, Armen Najarian, Leonard Slodov, and Eric Hamilton ran one of the fastest times in the state (3:25.7). The third record was set by Eric Hamilton in the 400 meter dash. At Districts, Dave Scharf won his semi-final heat of the 400 with a time of 49.8, setting a new school record. In the next heat, however, Hamilton took first with a time of 49.5, establishing the Hawken school record. This pair traveled to states, with an incredible second place finish by Hamilton and a third place finish by Scharf. Hamilton now holds school records in four events, the 400, 800 (1979), 1600 (1979) and 1600 relay.

Senior captain Glenn Houser ran the high and low hurdles, as well as the 400 relay. Senior John Horvitz led the shotput and discus team doing very well at sectionals in the discus. Junior Matt Harthun led the sprinters, placing first in the 100 meter dash in the Sectional meet. He also ran the 200 and the 400 relay, as well as being an outstanding pole vaulter. Junior Harlan Ullman and Sophomore Mark Dettelbach also handled the sprinting chores. Junior Gib Kirkham led the high jumper clearing six feet, as well as running the 400 meter dash. Sophomore Steve Phillips also high jumped and was the team's fastest high hurdler. Sophomore Scott Bowen, another hurdler, shows much promise for the future. Sophomore Leonard Slodov ran the 400 but towards the end of the season switched to the low hurdles; he did extremely well, placing third in the Sectionals. He was also in the 1600 meter relay, as well as being a very good pole vaulter. Junior Armen Najarian ran the distance events and also was a member of the incredible 1600 relay team. Fellow Junior distance runner Todd Kneale ran the longer distance events, such as the 3200 meter run; he also placed third at Sectionals in the 800 meter run.

As well as the track team has done this year, next year's team has the potential to do even better. The majority of this year's team were Juniors or Sophomores, which should prove to be next year's leaders.

The 1980 varsity tennis team had a very good season, although it did not quite meet up to preseason expectations. The squad finished the season with a 10-6 mark, defeating such area powerhouses as Mayfield, Gilmour, W.R.A. and Brush.

Throughout the season, the team was led by Senior captain Kirk Nahra, who played the first singles position for the third straight year. Nahra finished the campaign with a 12-4 record, winning his last ten matches. Brother Paul Nahra, a Junior, occupied the second singles slot and finished the year with a 10-3 record. He will be one of the strongest players in the city next year. Senior Rob Edgerton, a third year man, played third singles and ended his Hawken career with a very impressive record.

The doubles teams did not finish as strongly as expected, but all players finished with around .500 win-loss records. Seniors Mark Gillinov and Norm Gilbert combined at the first slot, while Senior Rick Heffern and Sophomores Ken Cramer and Rob Testman alternated at the second position.

The Sectional Tournament was a disappointment for most of the team, as defaults and bad draws ended District hopes, but the lone bright spot was the doubles team of Nahra and Nahra. The duo won the Sectionals, losing only one game enroute to victory. They went on to win the Districts in a similar fashion, without the loss of a set, and culminated the season by placing fourth in the state.

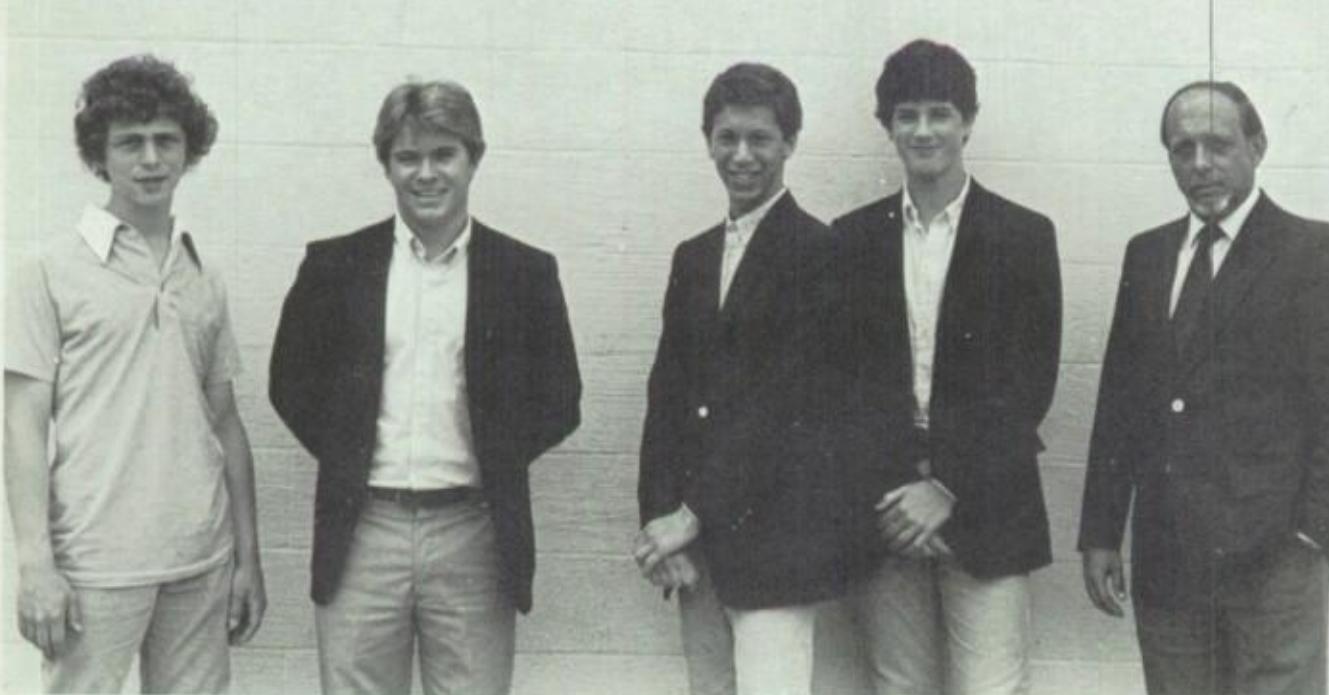

With the departure of first year coach Mary Haskell, Old Board winner Kirk Nahra, and Seniors Rob Edgerton, Mark Gillinov, Norm Gilbert, and Rick Heffern, as well as Sophomore Rob Testman, this season is the end of an era for Hawken tennis. Next year's team will have to start from scratch in order to live up to the example set by this year's talented crew.

BOYS' TENNIS

The girls' varsity swimming and diving team began its first season with a winning record of 6-1, continuing the tradition of achievement in the sport set by the boys' team. Starting as a first year team, the girls did outstanding work; characterizing the team as a spiritful, enthusiastic and dedicated group.

The team consisted mostly of underclassmen: Juniors-Jane Selis, Tracey Easterday, Roxana Zulauf, Anne Whiteman and Ginny Gascoigne; Sophomores-Kathy Wright, Kim Cabot, Liz Peay, Lisa Gaynor, Cindy Raffel, Sue Selis, and Claudia Richardson; Freshmen-Jane Esselstyn, Sue Emert, Sara Durn, Karen Schupp, Kim Holtrey, Sue Hackenburg, and Andrea Wedren.

The girls began their season with victorious dual meets led by the more experienced AAU swimmers- Esselstyn, Wright, Emert and Schupp, with the necessary backing up of the newer swimmers, who were constantly improving their times. Divers Jane Selis, Sue Selis and Claudia Richardson provided support throughout the season. Jane's 13TH place in the District meet, coupled with Claudia's 28TH and Sue's 32ND, helped the team with their surprising capture of this coveted title.

Districts began with a surprising victory in the 200 medley relay by Jane Esselstyn, Kathy Wright, Sue Emert and Sara Durn. Other exceptional wins were: Jane Esselstyn's 1ST in the 100 back, and 200 IM, Sue Emert's 2ND in 100 back and 6TH in the 200 IM, Kathy Wright's 5TH in the 100 breast and 7TH in the 200 IM. Sara Durn's 5TH in the 500 free and 6TH in the 200 free, and Karen Schupp's 8TH in the 500 free. Other girls' times placed for points also; Tracey Easterday in the 100 fly and 100 back, Roxana Zulauf in the 100 breast, and the freestyle relay team consisting of Karen Schupp, Tracey Easterday, Roxana Zulauf and Anne Whiteman. All other swimmers and divers made outstanding improvement and provided support and enthusiasm for the team's incredible victories. This is the first time any school has won the Districts in both the girls' and boys' team in the same sport.

Esselstyn, Wright, Emert and Durn continued onto the State meet, placing their relay 3RD. Esselstyn won the state in 100 back (an incredible victory for a freshmen) and also placed 5TH in the 200 IM. Emert placed 13TH in the 100 back, while Wright placed 15TH in 100 breast and Durn placed 20TH in the 500 free. These girls placed the lady Hawks 6TH in the state overall, an overwhelming victory for a first year team consisting of no seniors.

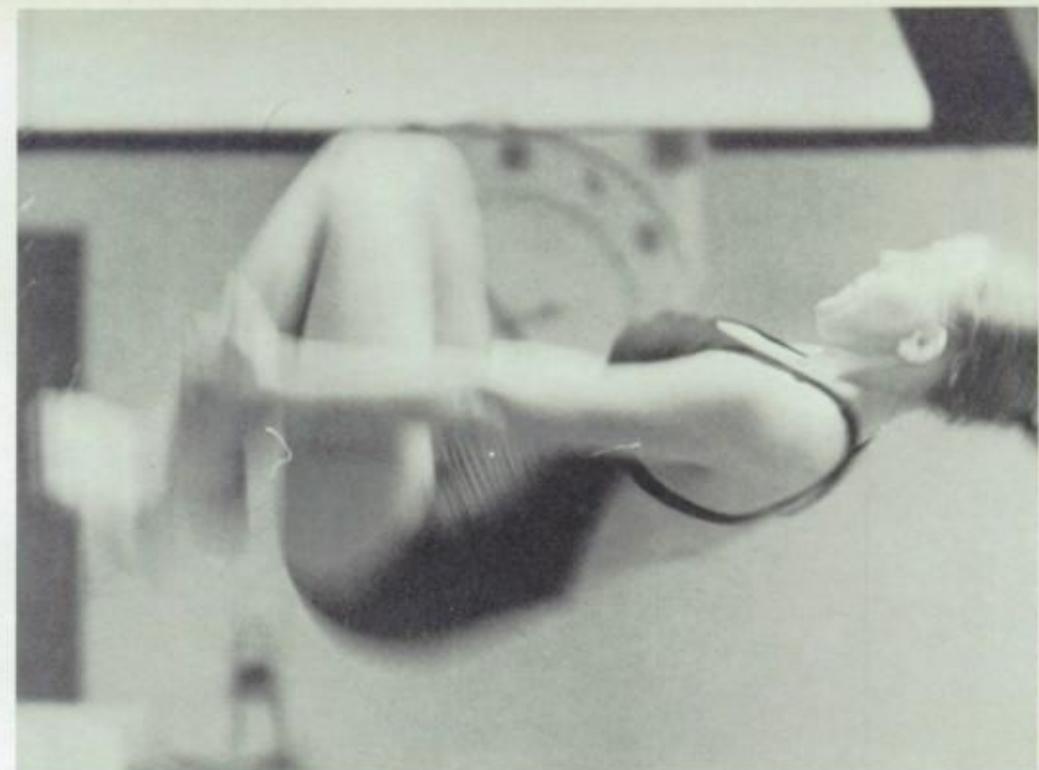

Awards went to Kim Holtrey for most improved. Ginny Gascoigne for Dedication and desire, Cathy Wright for spirit and Jane Esselstyn for most outstanding.

Next years team looks to be even better and more promising with all the girls returning. Special thanks to two dedicated, enthusiastic and supportive coaches: Nat Carter and Jerry Holtrey. Also, many thanks to manager Nancy Hastings and all enthusiastic parent supporters.

The 1980 edition of the Hawken baseball team was probably a big surprise to many people. The team lost seven of nine starters due to graduation last year and had only four returning lettermen. However Coach Bob Spicer combined youth and experience to form a very competitive team. The baseball team is unique in its schedule as it competes against mostly double and triple-A schools rather than schools of Hawken's size. As a result of this fierce competition against area powers such as Shaker, South, Benedictine, Mayfield and others, the Hawks finished with a record of 11-13-1.

The infield was composed of two sophomores and two seniors. Senior captain, Mark Kalina, anchored the infield from the shortstop position. Senior Chris Cabot handled the first base duties when he was not hurling from the mound. When Cabot pitched, senior Andy Fenton played a solid first base. At second and third were sophomores, Peter Henkel and Ted Esselstyn, who both came along tremendously in the field and at bat. Esselstyn moved in when junior sensation Juan Antunez was injured in an early game.

The outfield positions were held by senior Jon Guggenheim and juniors Neil Lasky and Mark Hoffman. These three along with junior Keith Palevsky and senior Wally Steele did an excellent job all year defensively.

On the mound the team had some trouble in the early going. Cabot was the team's ace and he was always excellent. However the pitching staff after that was quite shaky. Bothered by arm troubles, Esselstyn and Hoffman had slow starts, but came through well toward the end of the year. Kalina also pitched at times and was quite effective. Lastly, Peter Henkel was a pleasant surprise as he hurled well at the end of the season.

The team was sparked all season long by the brilliant catching and hitting of senior Bennett Blau. When Blau needed a break, junior Mark Deutsch always gave a good performance behind the plate.

One very bright spot for the team was the hitting of junior DH Jeff Schwartz. He came along and became a very solid hitter.

The team had a rocky year but there were some high points. They defeated area powers such as Mayfield and Benedictine. They also had victories over arch rivals U.S. and W.R.A. The team is losing only six seniors so next year should hold only good things.

GIRLS' TRACK

The girls' track team had a slow start this season. In March, when many of their competitors had started practice, it was doubtful that there would even be a team. At that time there were no meets scheduled and no coach. The team was composed of mostly new members, having lost many original members to graduation. The team was saved when Marty Webb agreed to coach. The season opened with 13 runners. At the first meet, the girls were forced to forfeit five events for lack of participants; the final score was more than embarrassing. However, the team proved to be extremely dedicated, and the defeat did not keep them from making a successful attempt to improve themselves. They have become a group of experienced, well-rounded runners.

The team's sprinters were freshwomen Susie Peppercorn, Sofia Lorenzo, Liza Cohen, Molly Shannon, Pam Cole, Natalie Lowe, Becky Elder, Sophomores, Jennifer Garson, Dennie Eaton, and Juniors Dawn Forbes and Ritu Chattree. The 400 meter dash was run by Dennie Eaton and Stephanie Chiapetta. The distance squad was composed of two runners. Freshwoman Leslie Schwartz and Junior Kristin Roudebush. Between Natalie Lowe, Dawn Forbes and Molly Shannon the team managed to place consistently in the long jump. The shot put and discus were thrown by Ritu Chattree, Kristin Roudebush and Leslie Schwartz. The high jumpers were Kristin Roudebush and Becky Elder.

The outstanding performance of the season was made by returning letterwoman Dennie Eaton. In the sectional meet, despite being hampered by severe shin splints, Dennie qualified for districts in the 200 meter dash. She was also the team's leading scorer with 29 points.

IN MEMORIAM

Benjamin Patterson Bole, Jr., died April 7, 1980, at the age of 71. A life trustee of Hawken School, Mr. Bole was a member of the school's original Class of 1925. Serving with distinction as a life member of the Ohio Academy of Science, eleven year staff mammalogist of the Cleveland Museum of Natural History, and professor emeritus of Case Western Reserve University, he demonstrated a profound knowledge of botany, bird watching, and the outdoor life. A strong individual, Mr. Bole was described by Headmaster T. Douglas Stenberg as "the original Hawken Maverick!"

In recognition of his unique interests in naturalism and contributions to the school, the Hawken Community has established the Bole Award, to be presented each year to "a student demonstrating enthusiasm for and a practical interest in the natural sciences." A father and grandfather of eleven Hawken students, he was a son of one of the school's founders. Undoubtedly, the tremendous enthusiasm he exuded stimulated hundreds of students who experienced the outdoors with him. In the words of Mr. Stenberg, "Mr. Bole is most remembered for the quality of his life . . . one which was truly on his own terms."

We, the staff of the Hawken Onyx of 1980, would like to share with the rest of the Hawken community our warmest regards for these departing teachers and to wish them happiness in their future pursuits.

I appreciate the efforts of everyone who helped put this book together. However, there are a few people who helped me tremendously by offering their time, talent, reliability, and advise beyond the call of duty. Thank you Debbie L., Amy, Anne, Mrs. J., Mr. Nelson and Mr. Prentker.

I also thank our patrons and advertisers for their support, and Steve Crompton for boys' track photos courtesy of Sun Newspapers.

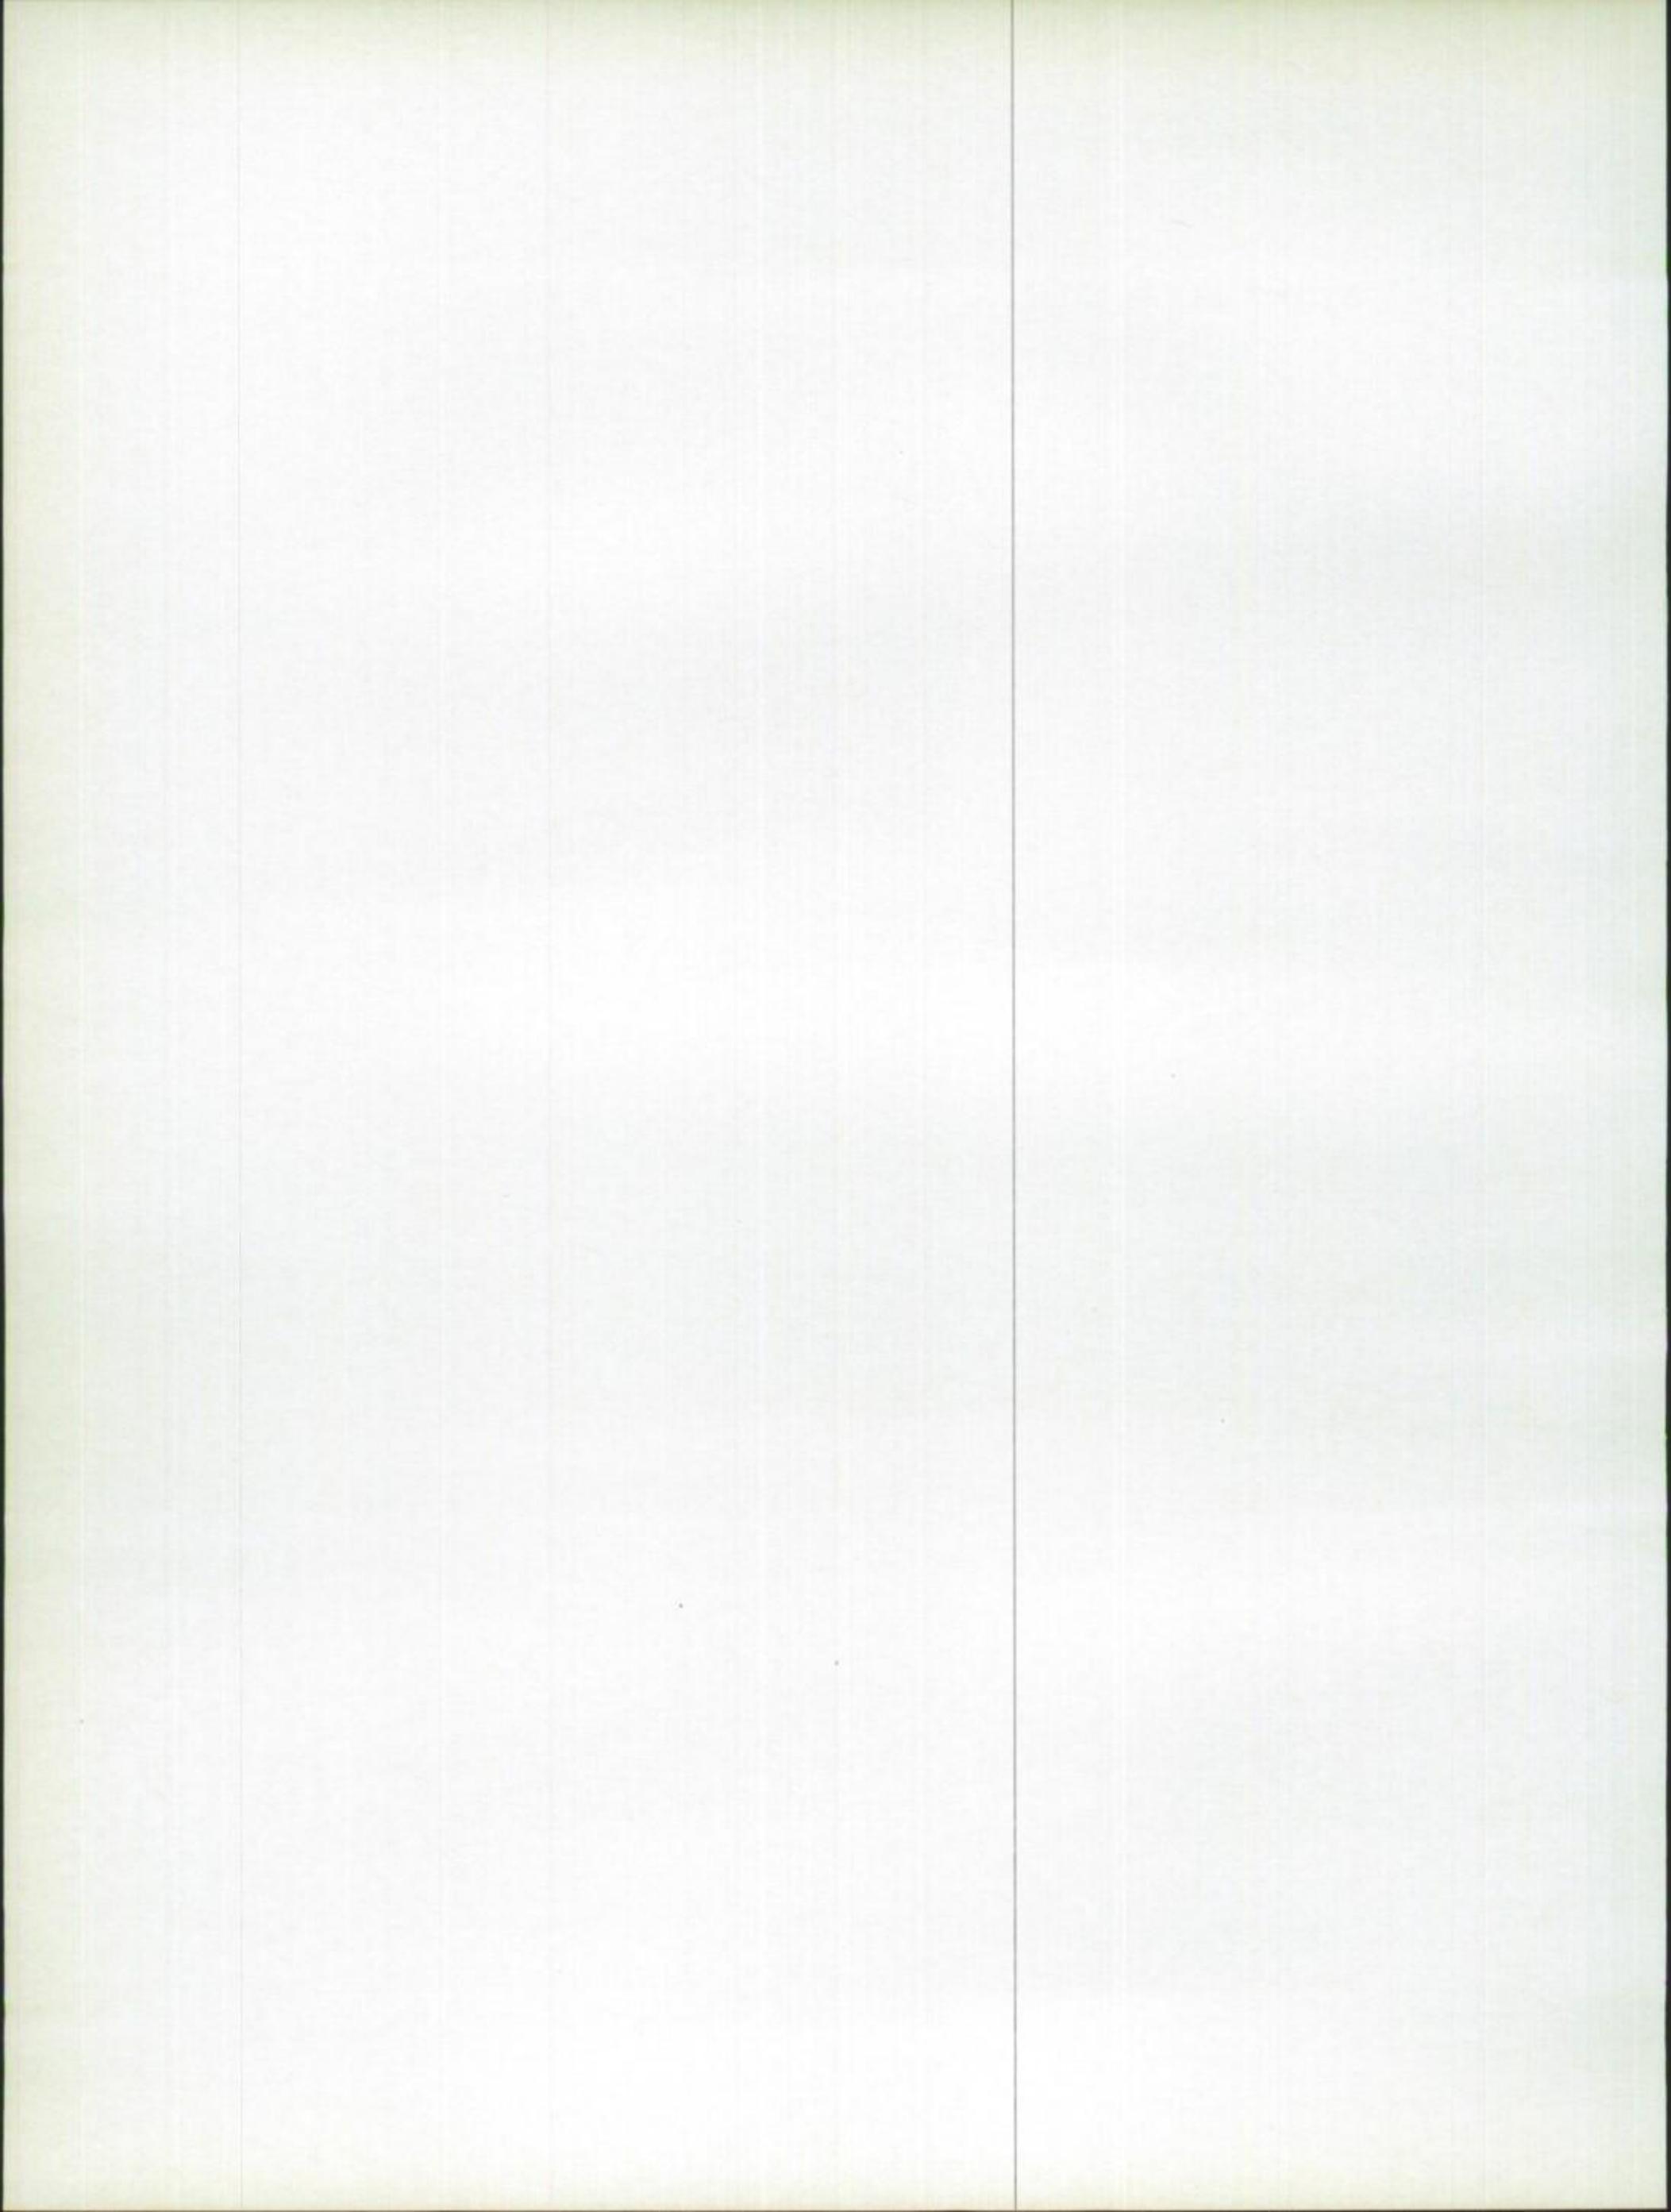

Your efforts will be recognized in this book forever
With gratitude,
Beth

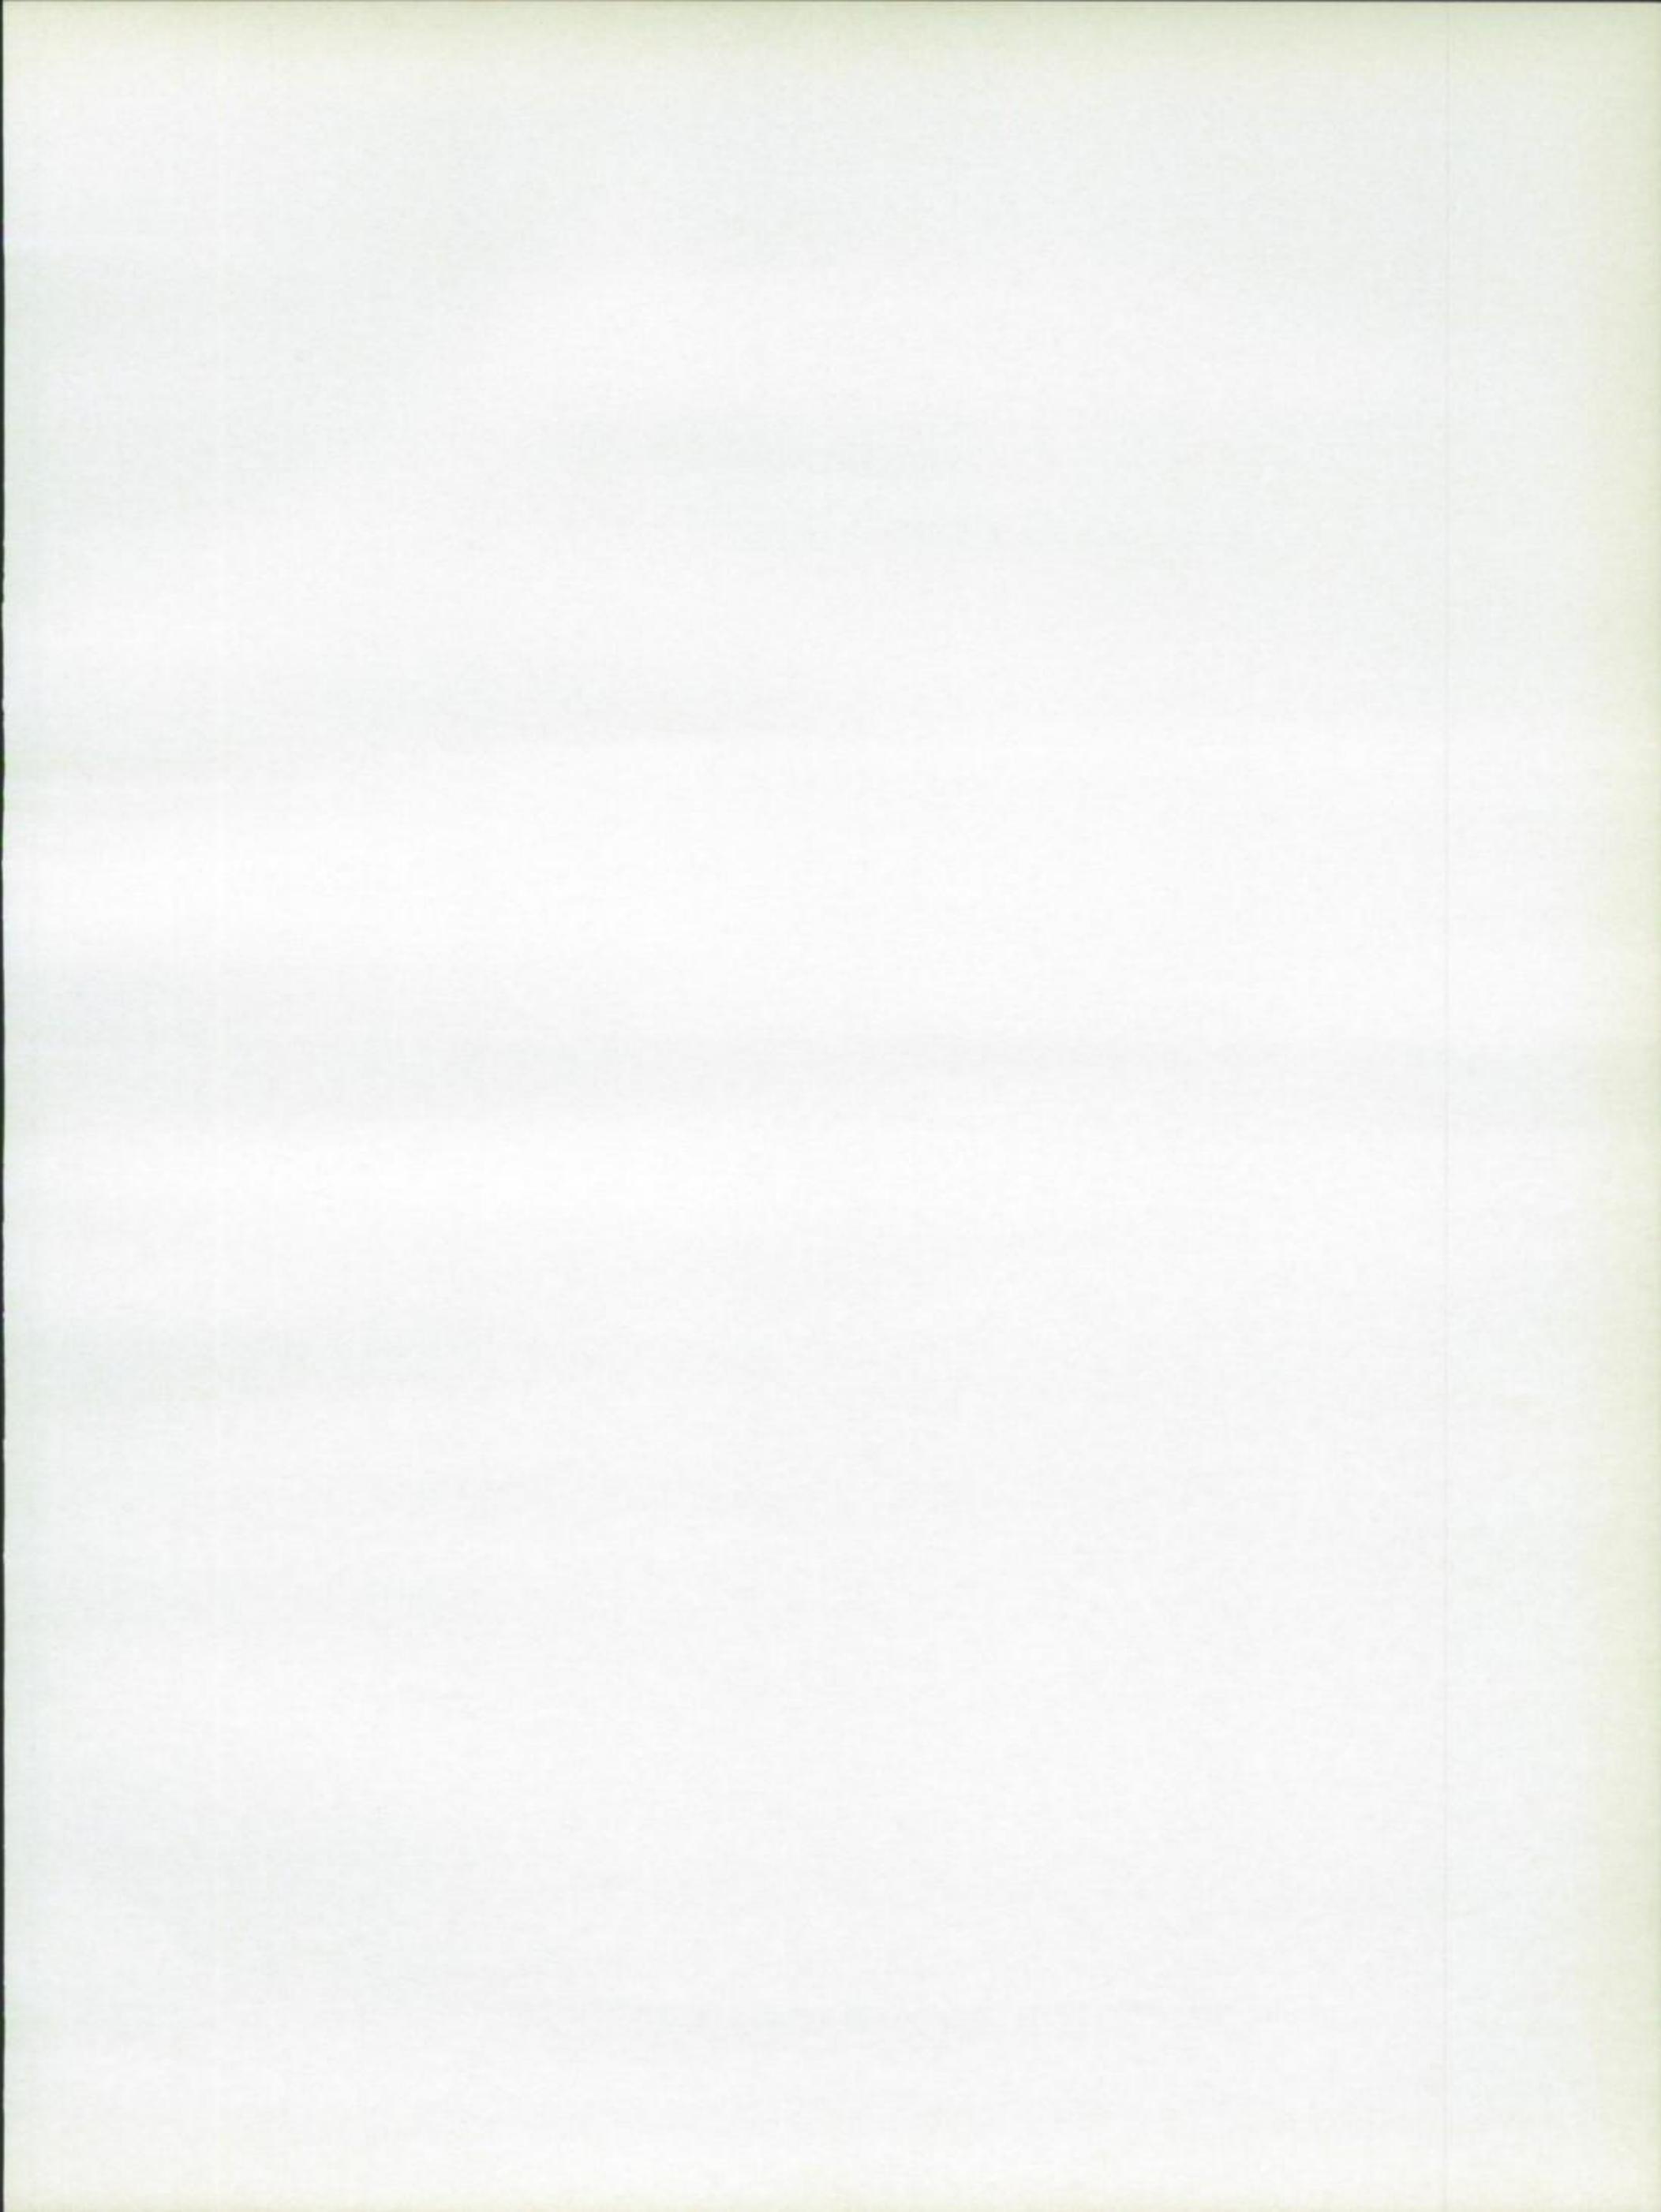

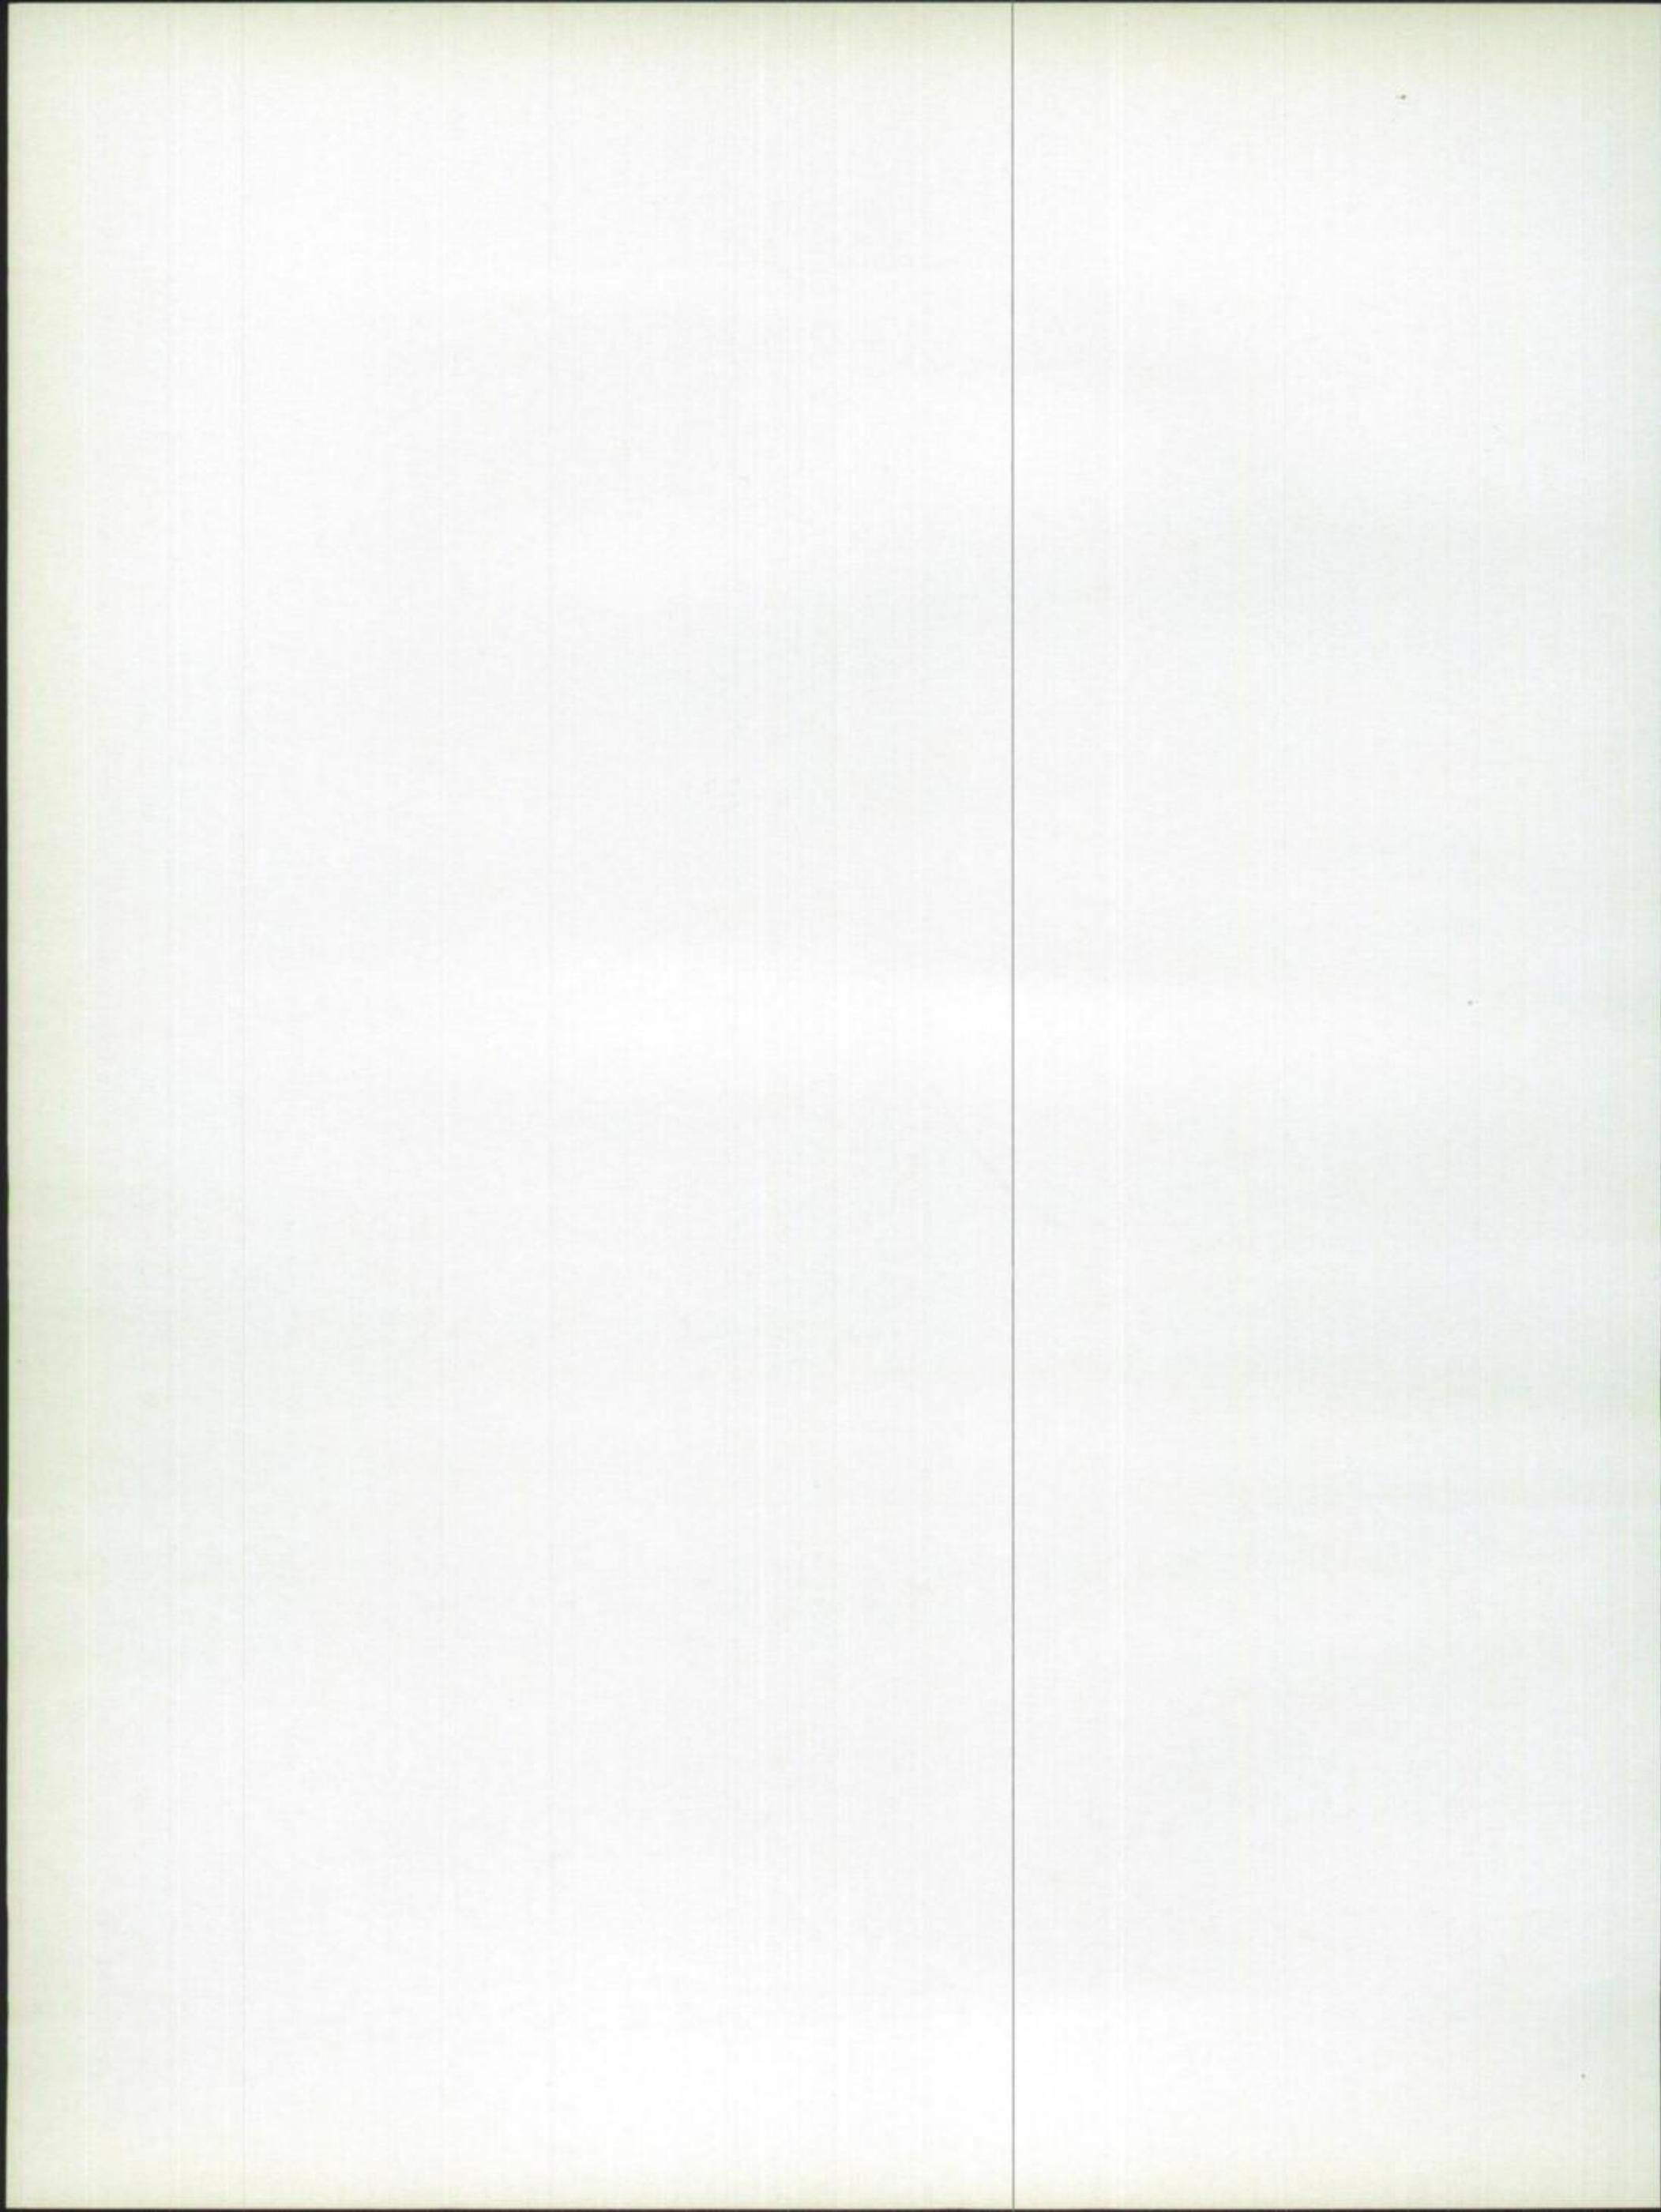

Autumn to winter, winter into spring,
Spring into summer, summer into fall,-
So rolls the changing year, and so we change:
Motion so swift, we know not that we move.
